DEDICATED TO DONALD B. TROUTMAN
— AN ENTHUSIASTIC TEACHER, A CONCERNED
REALIST, AND A TRULY MEANINGFUL FRIEND

Throughout his teaching career at Wilson, whether it was helping a student with a quadratic equation, relating with enthusiasm his adventures in Africa, or organizing a Human Relations assembly, Mr. Troutman has always been ready, willing, and able to lend a helping hand in an possible way. It is for this reason that we, the Seniors, dedicate the 1972 Wilsonian to him.

SCHOOL DIRECTORS: MOLDERS OF A SUCCESSFUL SCHOOL

Just as a chemical reaction needs a catalyst in order to make the reaction run smoother and more completely, a good school district needs competent administrators in order to make the district run smoother and more efficiently. Having completed his fifth year as Supervising Principal of the district, Dr. Carl F. Constein is fortunate in having at his disposal the right men and women to make the catalyst function efficiently.

DICTIONARY DEMONS

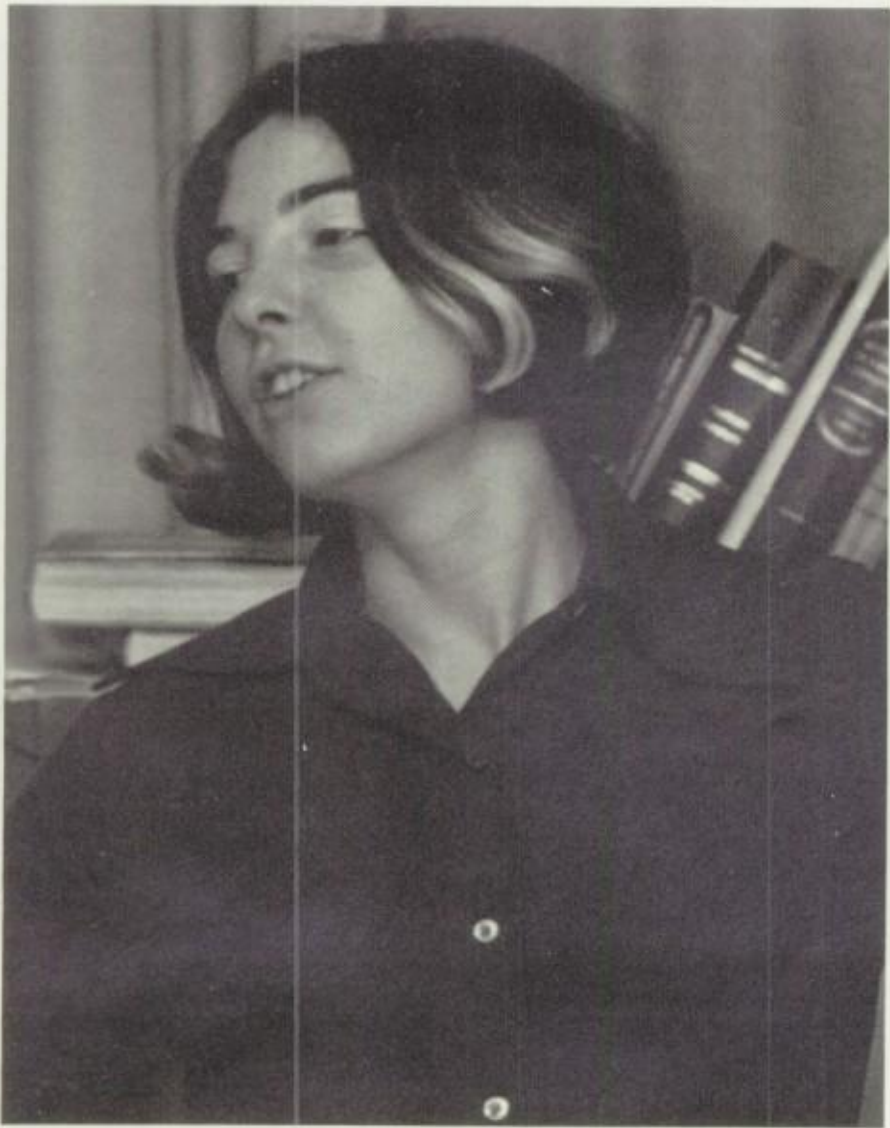

The English Department at Wilson, headed by Mrs. Mildred Ice, consists of more than a capable staff. Whether it is the standard course offered each year, or the Honors English offered in the Senior year, the English Department thoroughly prepares a student for college courses, and sometimes, arouses a more than passing interest in the subject. Whether his strength is grammar or literature, the English department is more than willing to help a student pursue his interests.

I wonder how much Mr. Roy does make on a bar of candy?

The members of the English Department are Mrs. Helen Riffle, Miss Anne Fichthorn, Mr. Robert Boyer, Mr. Allen Clay, Miss Joanne Wenrich, Mr. Randy Roy, Mr. Robert Weirich, Miss Kathryn Noecker, Mrs. Doris Boltz, Mr. John Goss, Miss Joanne Crone and Miss Virginai Zug.

Mrs. Riffle learned me to write really good. And that's the twuth.

NUMERICAL

To prepare for today's growing society, it is a necessity that all students receive a thorough mathematical background. Through the combined efforts of the members of the Math Department, headed by Mr. Ray Richie, Wilson students have the opportunity to further their knowledge of the various mathematical sciences from the Col-

PROWESS

lege Preparatory Algebra I and II, Plane Geometry, Senior Math and Calculus to the Advanced Business Math courses. Mr. Richie is assisted by Mr. Sidney Rachlin, Mr. Jerry Manhart, Mr. Gerald Kane, Mr. Wayne Bradburn, Mrs. Joanne Edwards, Mr. Reggie Weiss, Mr. Robert Preston and Mr. Donald Troutman.

Our illustrious leader

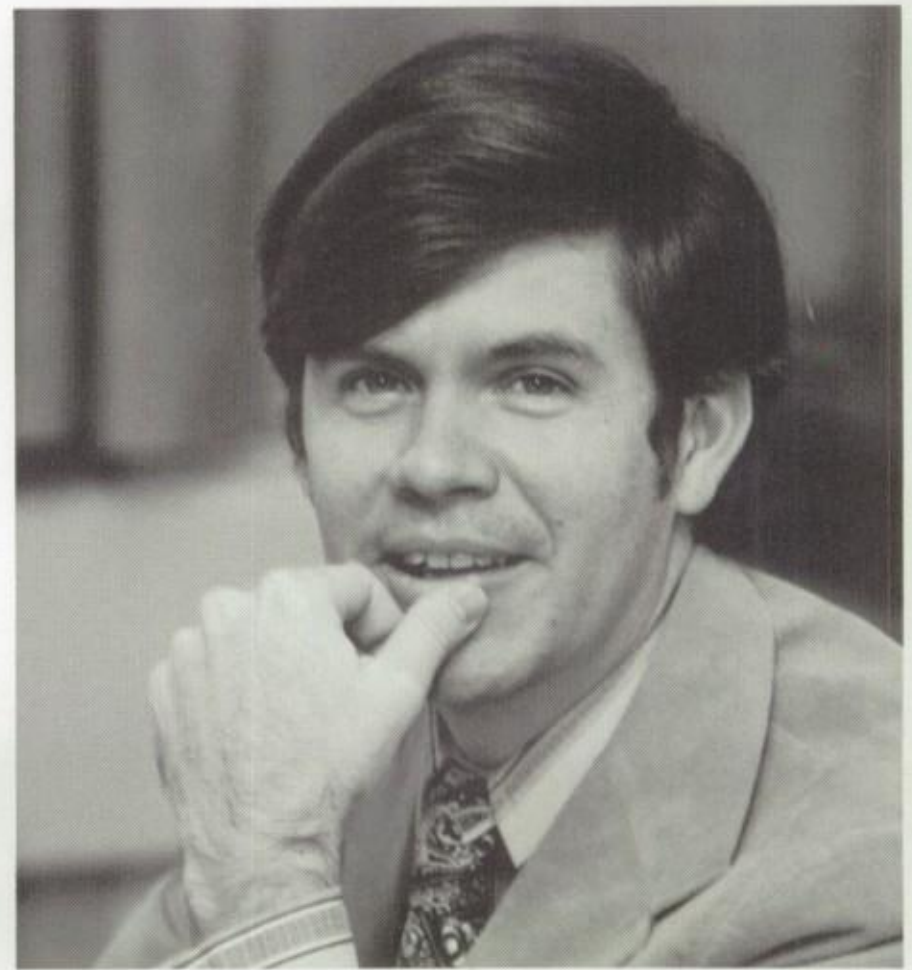

WILSON'S "WIZARDS OF OZ"

Headed by Mr. Paul Arner, the Science Department at Wilson offers many opportunities for the student to apply the practical aspects of our modern technical society. For the medically-oriented student, an excellent program of studies is offered in the field of Biology. For the future engineer or physical scientist, there are complete courses ranging from the earth and space sciences to the advanced courses in Chemistry and Physics. As a whole, the science program at Wilson prepares the student for his future endeavors in the scientific field.

At this rate I'll never get to eat lunch.

Didn't we see him in a Boris Karloff movie?

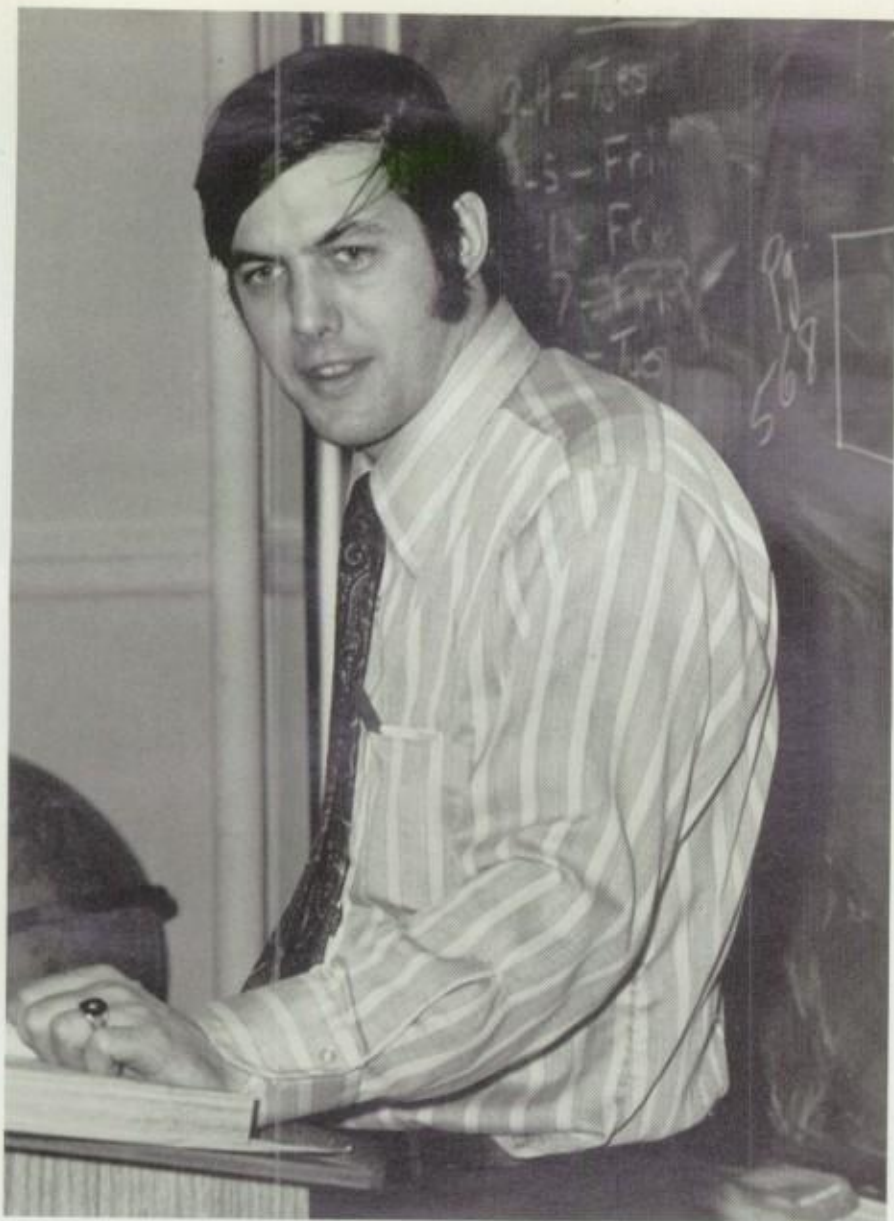

Let me see, you got all of these papers out of a cat?

KNOWLEDGE OF PAST PROMOTES AWARENESS OF PRESENT

An intensity in inter-continental communication has led the Social Studies department to revitalize its curriculum to meet the needs of Wilson's future citizens. Believing that each citizen needs to possess a firm background of each of the major foreign powers, the department offers the sequential courses of World Geography, American History, World Cultures, and Economics and Government. Besides these required courses, there are also several electives which a student may select depending upon his preference.

Mr. William Albright

Under the supervision of assistant principal Mr. Herbert Schoenly, the Social Studies department is composed of Mr. Harry Miller, Mr. William Albright, Mr. John Gurski, Mr. Grant Mahon, Mr. William Morgan, Mr. George Greisemer, Mr. Bernie Stoppi, Mr. John Davies, Mr. William Kopp, and Mr. John Wise.

Mr. Morgan and Mr. Stoppi

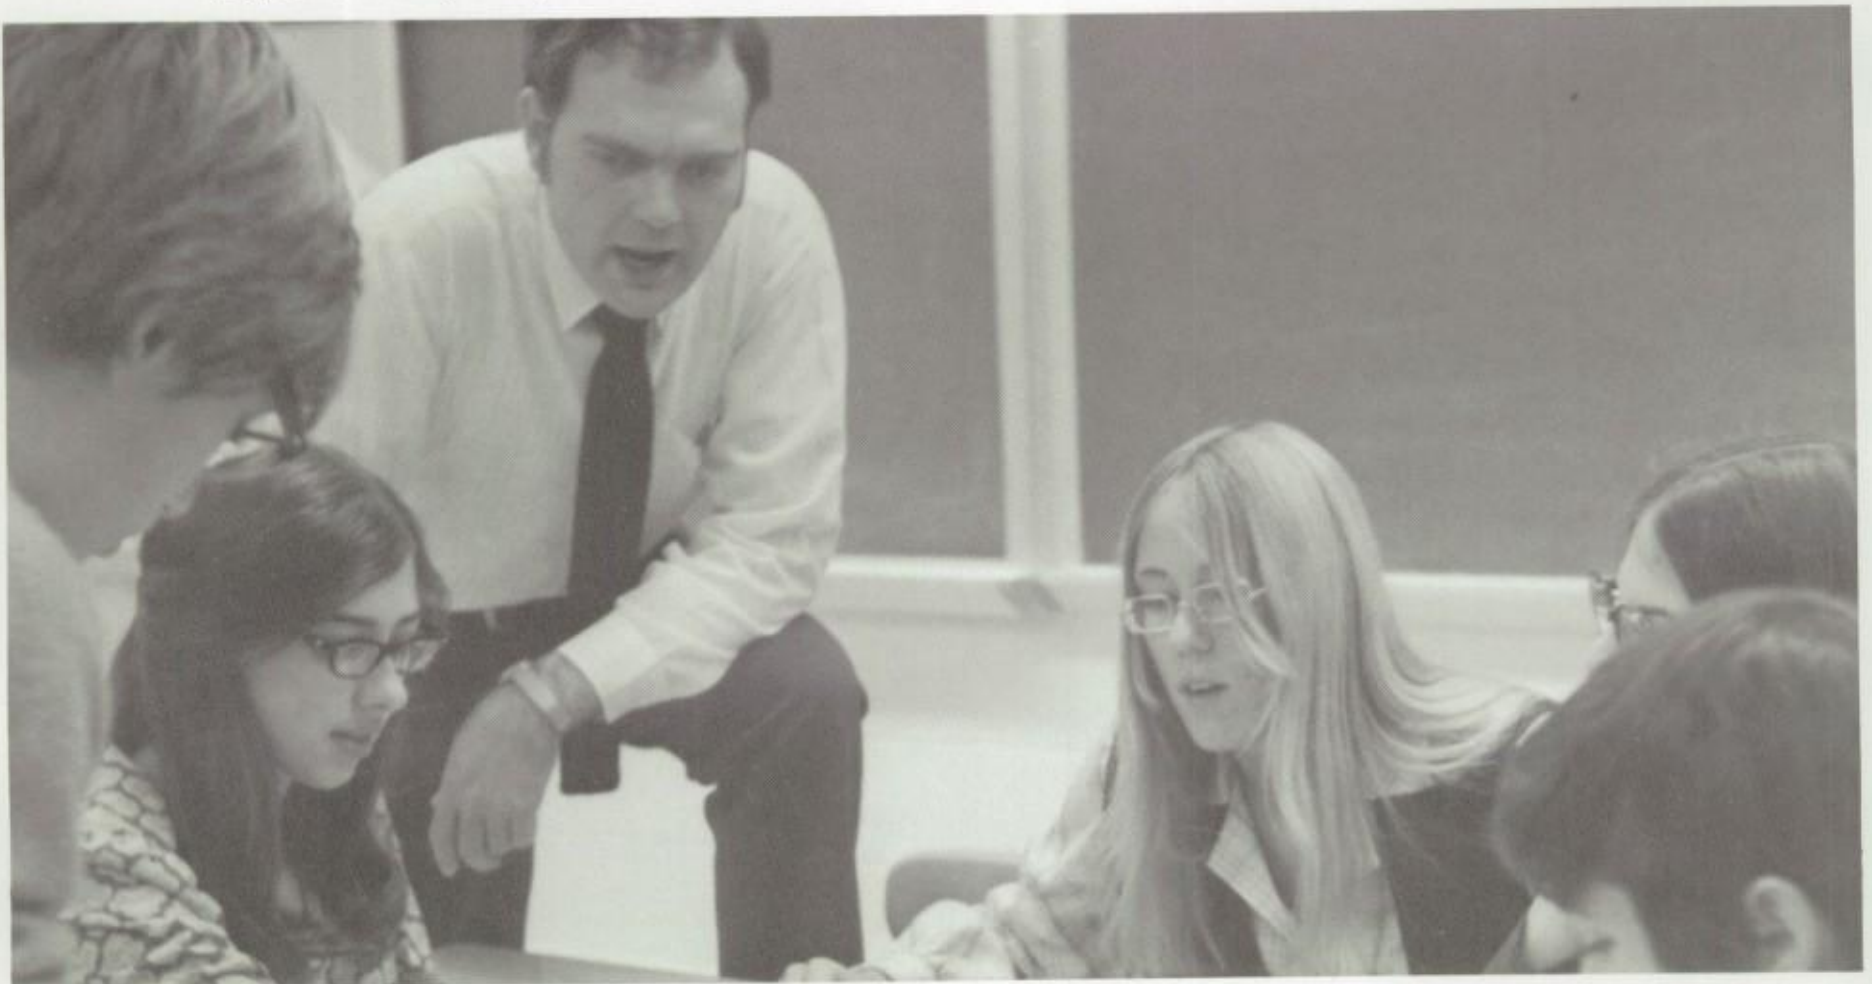

... BILINGUAL MASTERS

We live in times of danger and uncertainty stemming from misunderstandings between the peoples of the world. There is perhaps no greater service to the humanitarian cause of stopping this disease than for one individual to reach out on a personal level to his fellow man. Our foreign language department provides its students with ye opportunity to bridge the communication gap so that one day the world may exist in peace.

BOOKKEEPING BEAUTIFUL BOOKKEEPING

When she leaves, we can use our fingers again.

Mr. Ralph Naulty

Mr. Richard Romich

The student who desires to go into the business world directly after graduation can get the required training at Wilson. The varied business classes offer an opportunity to gain the skill of Bookkeeping, Shorthand, Transcription, Office Machines, Typing, and Consumer Economics.

I guess they were worked too hard in Typing.

The tall and short of the business world.

Mr. Lee Miller

Mrs. Barbara Noble

The Business Department is headed by Mr. Ralph Naulty who also manns the Central Treasury assisted by several "reliable" students. The remaining members of the department are Mrs. Ruth Hannigan, Mr. Lee Miller, Mrs. Barbara Noble, Mr. Richard Romich, Mr. Paul Strunk, and Mr. Ronald Weiss.

FROM STRAWBERRY PIE

Miss Catherine Moyer

Haven't we also seen this as a demonstration speech?

I thought those boys would never leave.

Mrs. Ellen Schenck

You've heard of Batman and Robin. You've heard of The Lone Ranger and Tonto. Well, Wilson has its own Dynamic Duo. The duo of Miss Moyer and Mrs. Schenck man the Home Ec. department and are cause of all of those delightful* odors emanating from the 400 floor of the East Wing.

* This doesn't apply to the Chef's Course.

Mr. Charles Burns

... TO CHEST OF CEDAR

For the boys who do not wish to go to Vo-tech, or enlist in a College Prep or Business curriculum, a general program is offered with a variety of shops available.

Mr. David Wardrop

Mr. Donald Schwenk is the department head and teaches wood shop and drafting. Mr. Burns handles the metal shop, Mr. Wardrop the printing shop, and Mr. Lynn Rannels the power mechanics area.

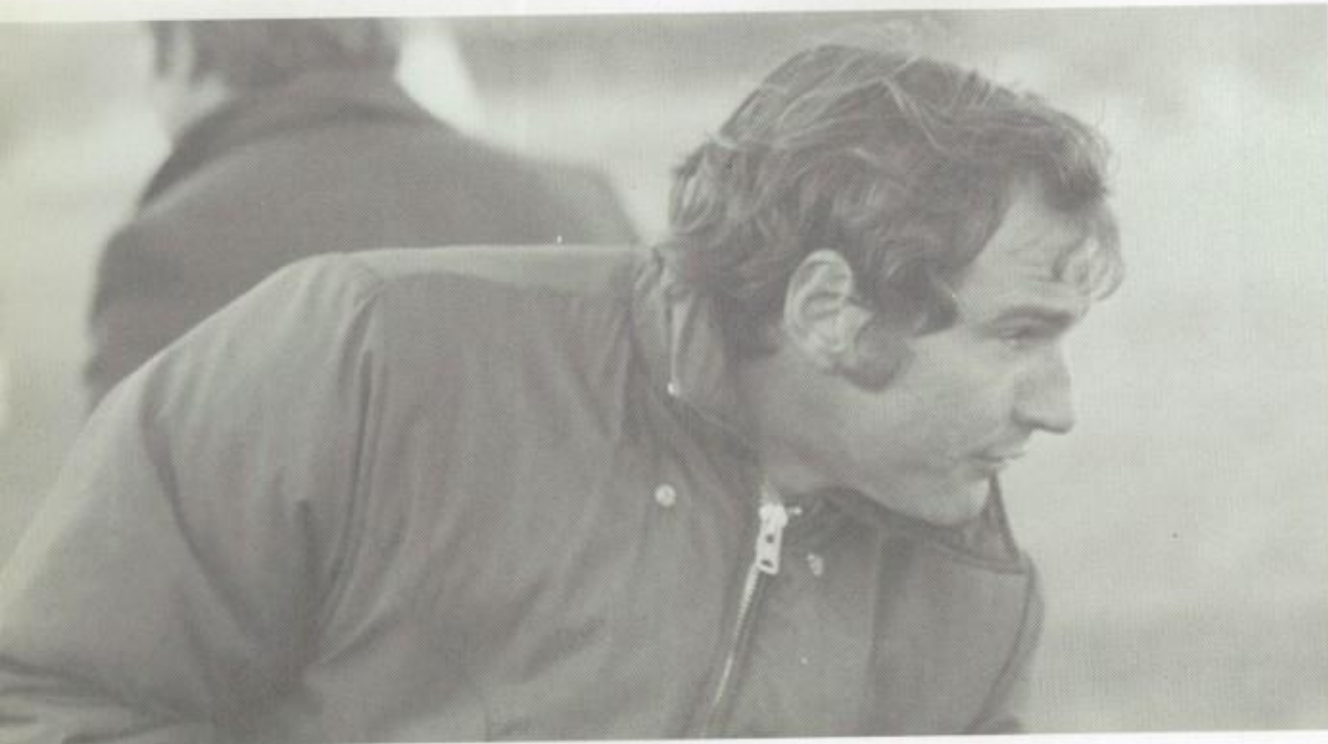

Mr. Donald Schwenk

Mr. DaDamio

Another combination to be remembered.

Mr. Nye

Instructors in physical education on the high school level are Mr. Tony DaDamio, Mr. Bert Nye, Mrs. Anna Chase, and Miss Susan Leinbach. The department head is Mr. Roy Snyder.

Intramurals are an active part of a growing physical education program.

Miss Leinbach

STRONG BODY = STRONG MIND

The Physical Education program at Wilson sees that the students are the healthiest around. Throughout the course of the year, competitive sports rule the gym. The basic fundamentals are learned, as well as practiced, in volleyball, basketball, gymnastics, track, archery, and tennis.

See, they're even on the correct foots.

Mrs. Chase

O.K. who's the show-off?

MISCELLANEOUS

Music in the round.

I wonder what is behind that piece of music.

Closing your eyes won't help.

Sometimes I think Moses had it easier.

CREATIVITY UNINHIBITED

Creativity comes in all shapes and sizes.

Miss Berger

Which is the real Van Gogh?

Man is continually striving to prove his uniqueness. Mathematics, foreign languages and other subjects which have certain rules do not allow for much creativity. Art does and it is for this reason that the classes of Mr. Donald Wealand and Miss Kathryn Berger have so many enthusiastic participants.

Artists must have their work displayed.

Could this possibly be Mr. Wealand's closet?

Mrs. Smith Reading

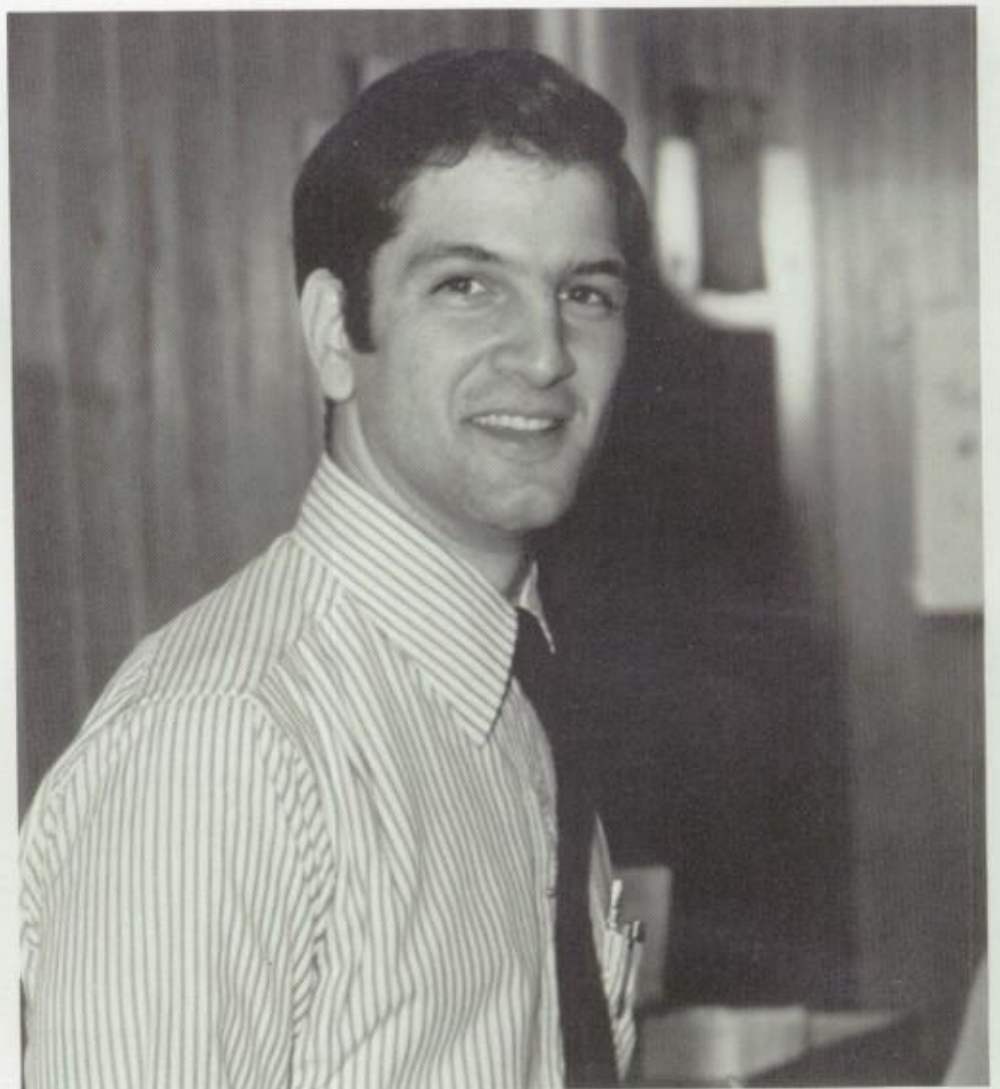

Dr. Gilbert, Psychology

The Book Fair

READING, READING AND FREUD

Three special areas open to all Wilson students, if they choose them, are Reading, Psychology and the Library. Reading is offered for both slow readers and those who want to develop their comprehension further. Psychology is offered to those who want a general understanding of people, and the Library is open to all who have need of it.

Mr. Piscitelli, Librarian

Some Vo-techers eagerly at work.

SPECIAL AREAS

Two other aspects at Wilson are the Special Education program and the Vo-tech program. Special Education is taught by Mr. Riffle and covers a wide variety of subjects from wood shop to American History. Vo-tech is handled by Berks County and has two centers — one at Oley and the other at Berks Heim. Two and three year programs are offered and selection is by individual preference.

Van — the teacher.

Mr. Peter Riffle

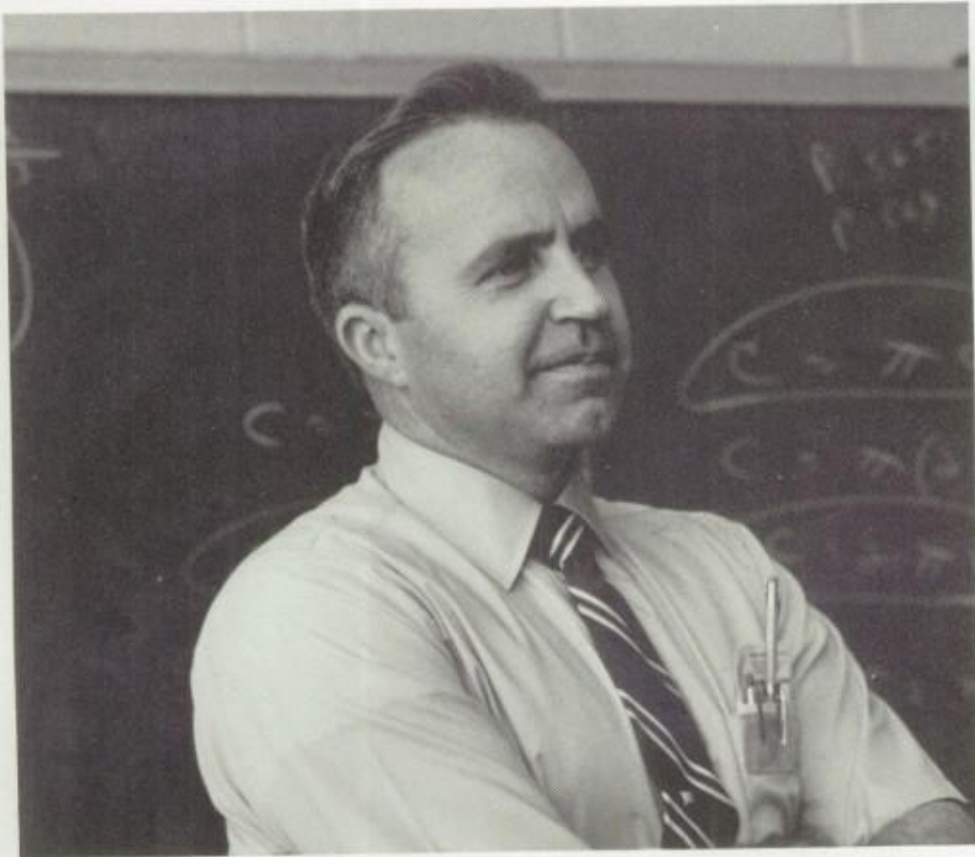

That sure will look good in Mr. Riffle's house.

THE BUMP AND GRIND DEPARTMENT

Mr. Ronal Price

Looks like Mr. Moehler got a wrong answer again.

In addition the providing the state mandated behind-the-wheel instruction for every student at Wilson, the Driver Education Department at Wilson, consisting of Mr. Richard Moehler and Mr. Ronald Price also provide class room instruction in such areas as legal rights, how to process accident reports and how to evaluate insurance.

The other side has all the dents.

TRANSPORTATION A GROWING HEADACHE

Providing bus transportation for the students who live out of walking distance of the Wilson Senior High School is a problem that gets bigger every time another housing development begins or another apartment complex opens. In addition to providing transportation for these students, the department headed by Mr. Paul Minnich must also make sure that all the buses are in good shape and are prepared for winter when that season arrives.

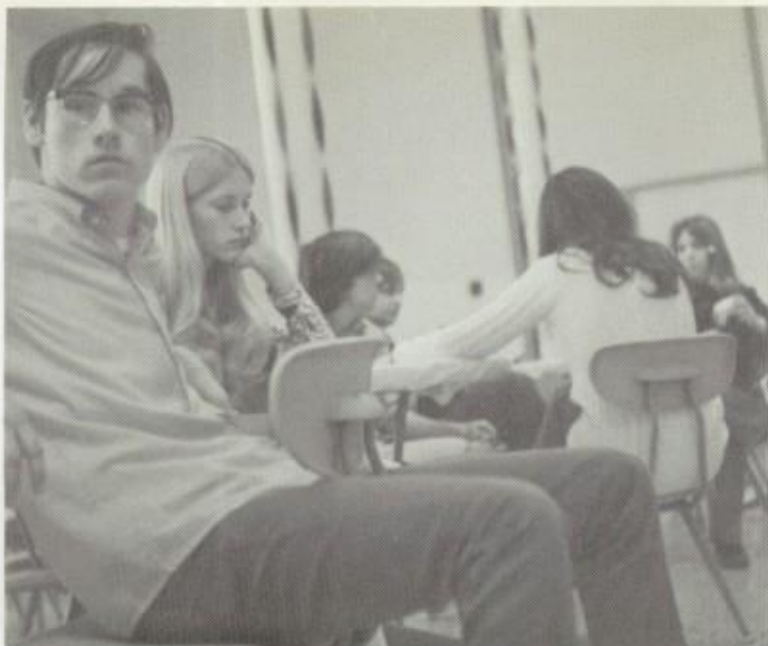

I wonder where Mr. Shannon bought that trophy.

How would you like to plan a bus route!

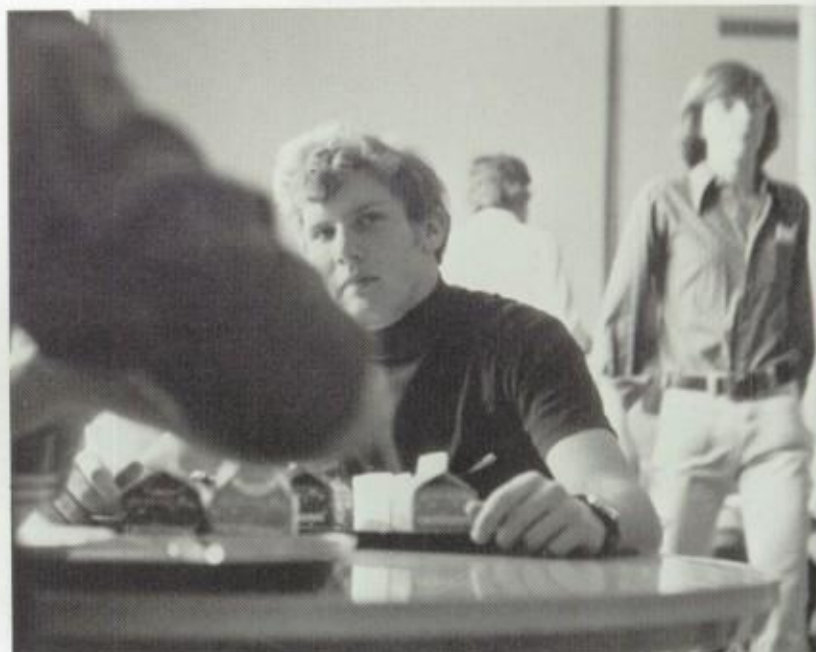

The cafe has other uses.

Double, double, toil and trouble.

It must have been something he et.

CULINARY CUT-UPS

For most people eating is a twenty-four hour a day affair. The cafeteria staff at Wilson doesn't have it quite that bad; however, planning, preparing, feeding, and cleaning up after a student body of 1200 plus is an extraordinary feat. It certainly isn't a job the average person is willing to tackle but Mrs. Arlene Kuhlman and her staff handle it well. This year they also had the opportunity to supply the food for an Introductory Banquet given in honor of the Middle Atlantic States Evaluation Committee.

Mrs. Arlene Kuhlman

CLEANLINESS IS NEXT TO?

Smiling Harry.

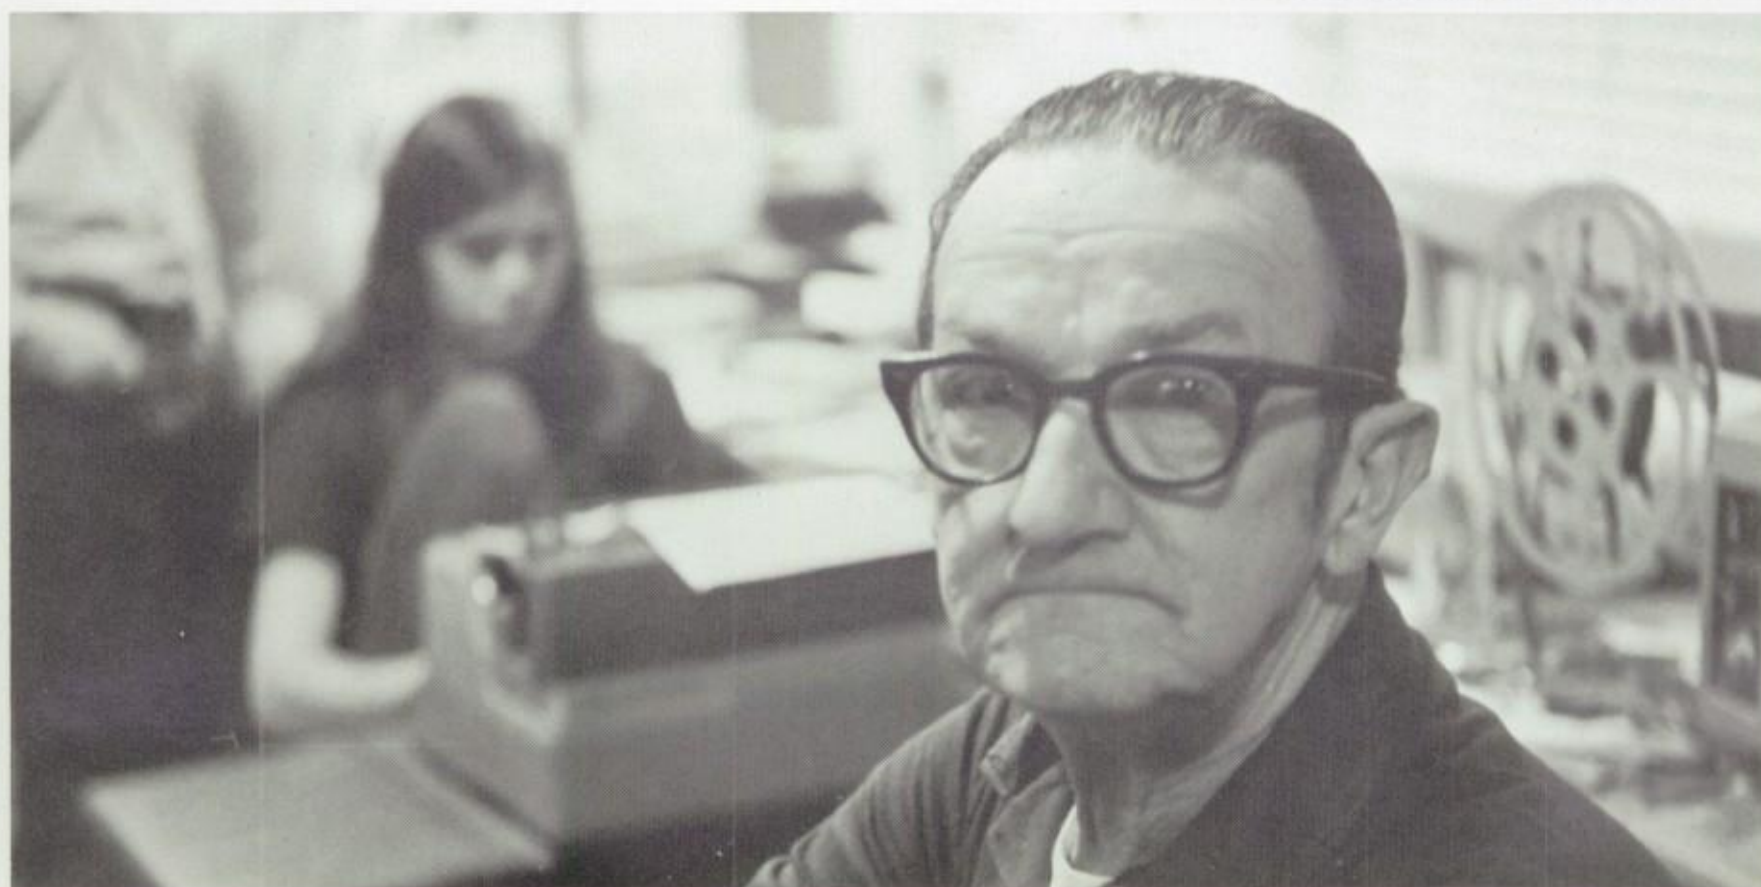

Sometime between classes, teachers' meetings, board meetings, basketball games, and plays, the custodial staff must find time to keep the windows spotless and the floors shiny. No one knows where they find the time or the energy to cope with this situation, but the students and parents of the Wilson District are very proud of the fine efforts of Mr. Sylvester Focht and his staff of "Janitors in a Drum."

This was caused by Hurricane "Student".

Almost all the custodians burn the "midnight oil".

CLUBS

I don't believe it. All those students paying attention.

They even sound great from the back.

MUSIC NEVER

The Holts delight everyone.

The Christmas story is made more meaningful through song.

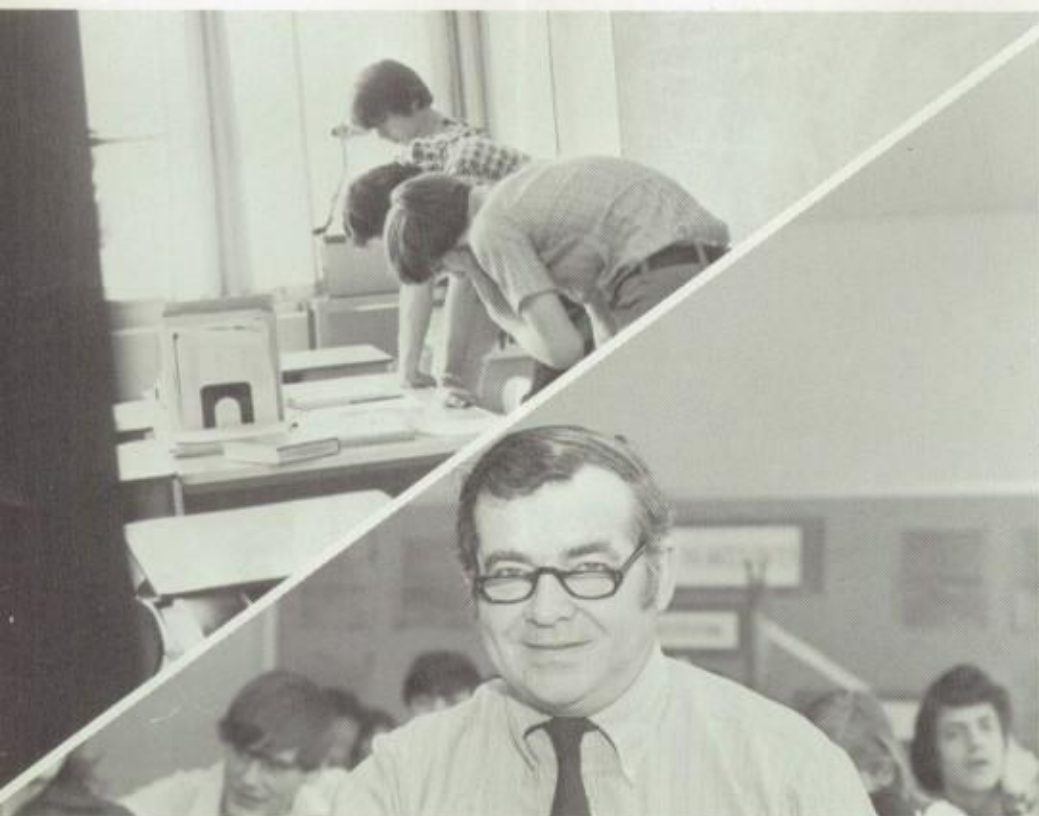

Mr. Lechner poses as his usual smiling self.

HAD IT SO GOOD

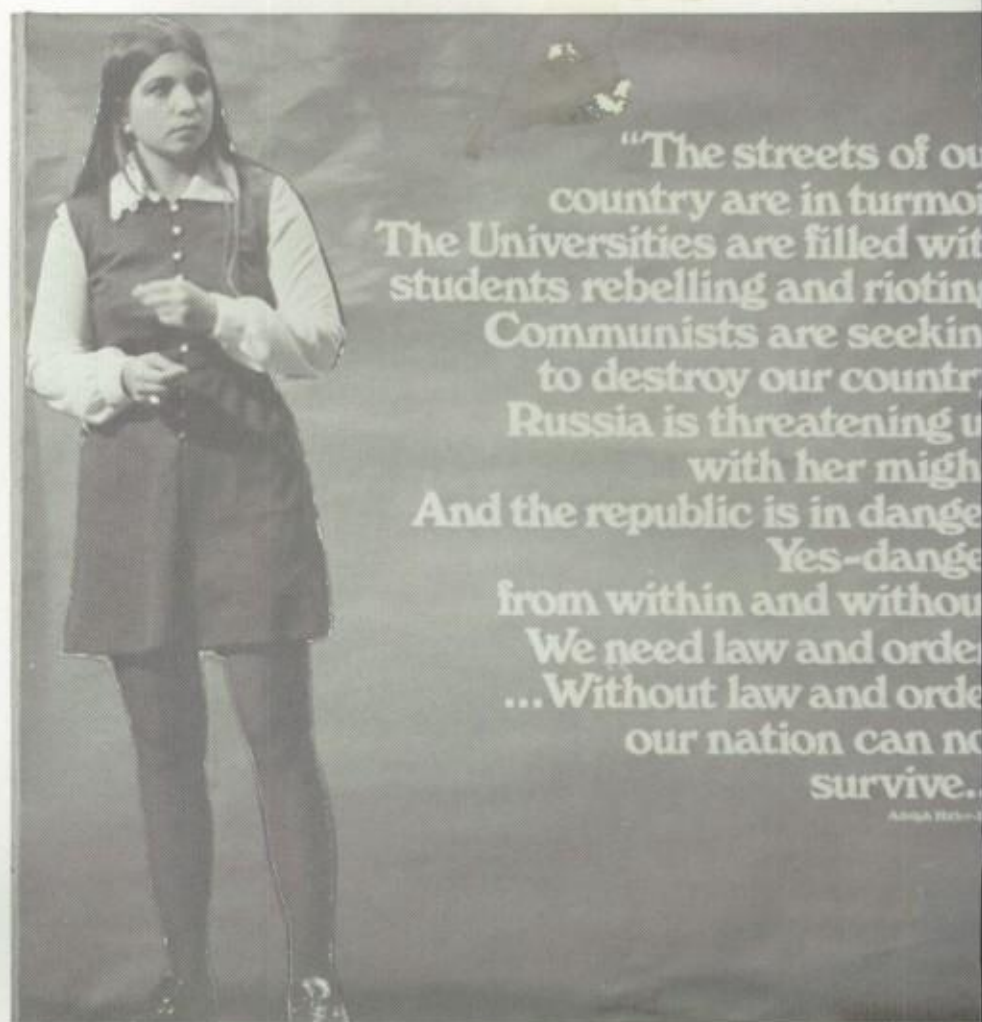

Busy, busy, busy. This is the adjective which describes the chorus best. From their workshop in the summer to the numerous concerts held during the year both in the school and in the neighborhood, the 1971-72 year has seemed like one big rehearsal. All was not in vain. The chorus did receive large recognition by defeating 300 Canadian choirs at the annual Kiwanas International Festival held in Peterbough, Canada. This is very significant when it is considered that Wilson was the only American choir in the competition.

STUDENT COUNCIL

Having a woman for a president certainly did not hamper the effectiveness of the '71-'72 Student Council. President Chris Bressi and her staff succeeded in getting listening booths installed in the library and reopening of the once defunct student store. They also raised the controversial issue of final exams and an alteration of the dress code during the hot months. They were assisted by Mr. John Davies and Mrs. Donald Troutman.

The SPECTATOR mascot.

Change is evident in everything at Wilson.

SPECTATOR

With the large enrollment that Wilson has, something is needed to help convey information to the students and to bring them up to date on certain issues. The SPECTATOR fulfills this function. The SPECTATOR contained information concerning the workings of the Student Council, the progress of the sports teams, letters to the editor, as well as several regular columns. The faculty advisor was Miss Joan Wenrich.

The editors — Kurt, Jean, and Bev.

Sometimes deadlines just don't bother them.

Miss Zug adds her own touch of originality.

Talking about it always helps.

DES PENSÉE

Just as a creative mind may express itself through abstract painting, clay, oil, or marble, the creative mind may express itself through poetry, essay, or story. The medium created at Wilson to exhibit the latter forms of creativity is the DES PENSÉE. Although it is edited by the members of the Honors English it may contain material from anyone in grades seven through twelve. Miss Virginia Zug is the Advisor for this magazine.

Maybe, that would be better on another page.

Cavil you may, but never criticize!

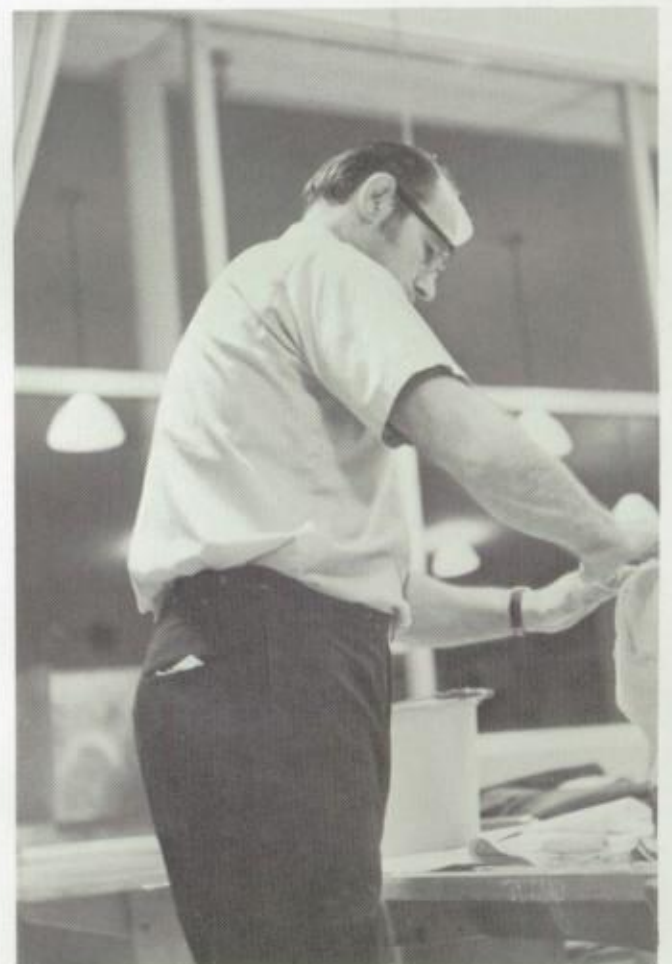

"This sure beats cropping those pictures."

WILSONIAN

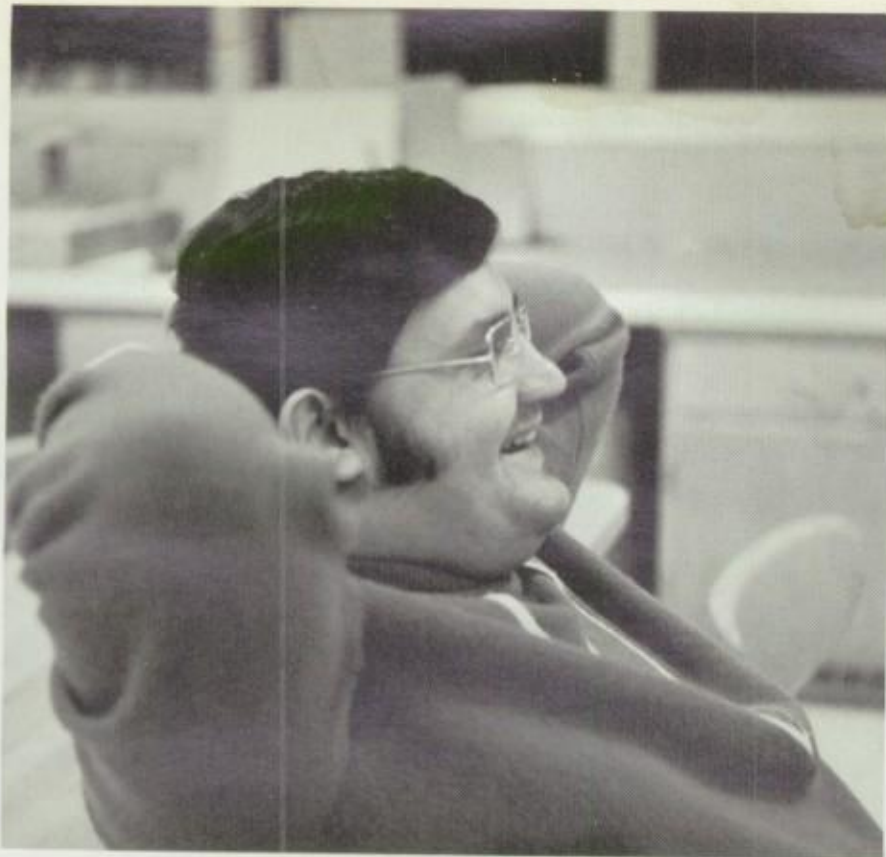

The 1972 issue of the WILSONIAN was under the supervision of Mr. Donald Wealand, layout, and Mr. Robert Boyer, editorial. Utilizing a volunteer core of fourteen Seniors under the leadership of Kathi Niles, the staff spent many hours from September to June sorting, cropping, and writing captions in an effort to produce the best yearbook ever.

I didn't know a yearbook could be such a serious business.

SENIORS HAM IT UP

Under the direction of Mr. Allen R. Clay, the Senior class presented *THE CAT AND THE CANARY*, a mystery-comedy by John Willard, on November 19 and 20. The situation of the play concerned Annabelle West, a noted illustrator. In order to keep an estate that she had recently inherited, Miss West had to prove that she was mentally stable. This was extremely difficult considering that (1) her lawyer disappeared (2) a Voodoo priestess appeared and (3) a homicidal maniac had escaped from a nearby prison.

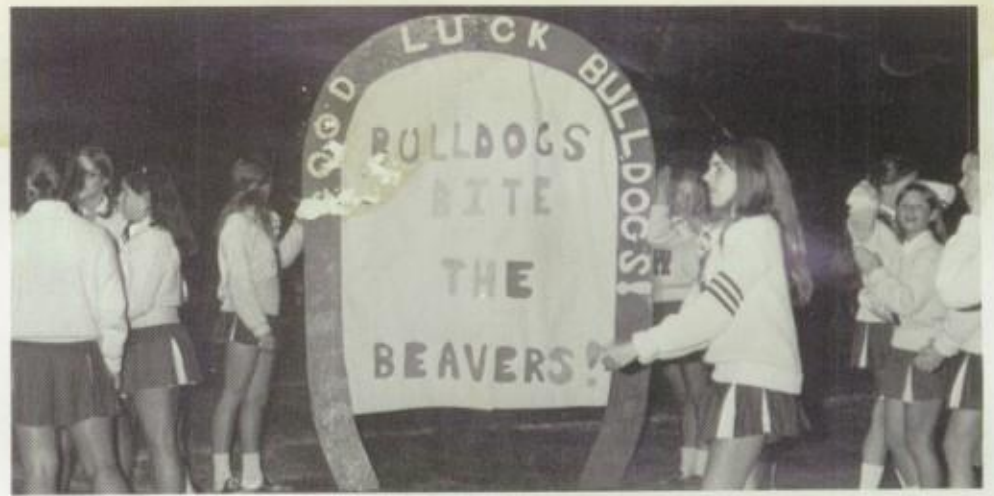

The players and their parts were:
 Miss Crosby — Andrea Bugay,
 "Mammy" Pleasant — Carol
 Goas, Harry Blythe — Steve
 Kanner, Susan Sillsby — Eliza-
 beth Ehst, Cicely Young — Chris
 Bressi, Charles Wilder — Dave
 Casmus, Paul Jones — Glenn
 Crossley, Annabelle West — Pam
 Gray, Hendricks — Randy Cove-

I guess Miss West can't take all of this excitement.

WILSON'S EXAMPLE OF ACTIVE NON-VIOLENCE

No school would be complete without its pep rallies to turn even the meekest person into a raving maniac. The pep rallies at Wilson have something to entertain everyone. For the person who will laugh at anything, it is original skit — no one can doubt their originality. And for the person who is easily inspired, it is the "heart-throbbing" speeches of none other than Mr. Brumbach. All in all, Wilson pep rallies provide more than just an opportunity for the student to get additional sun tan.

Skits are always included in a Wilson Pep Rally.

A cheerleader always observes the proper decorum.

They look different without their pads and helmets.

Notice, the biggest fuss ALWAYS comes from the Senior girls.

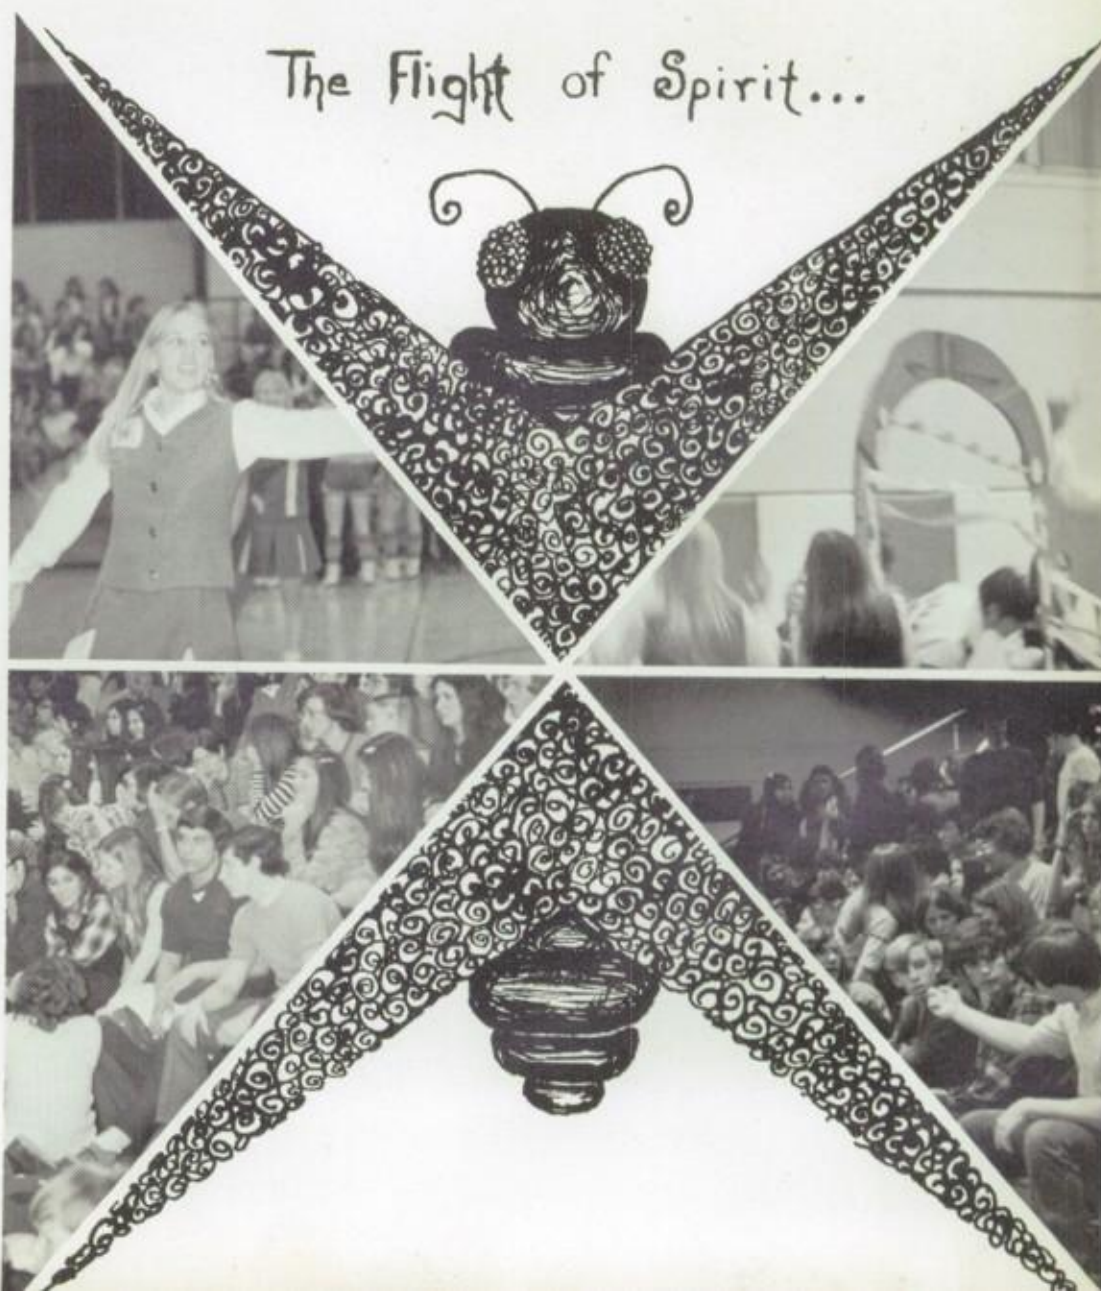

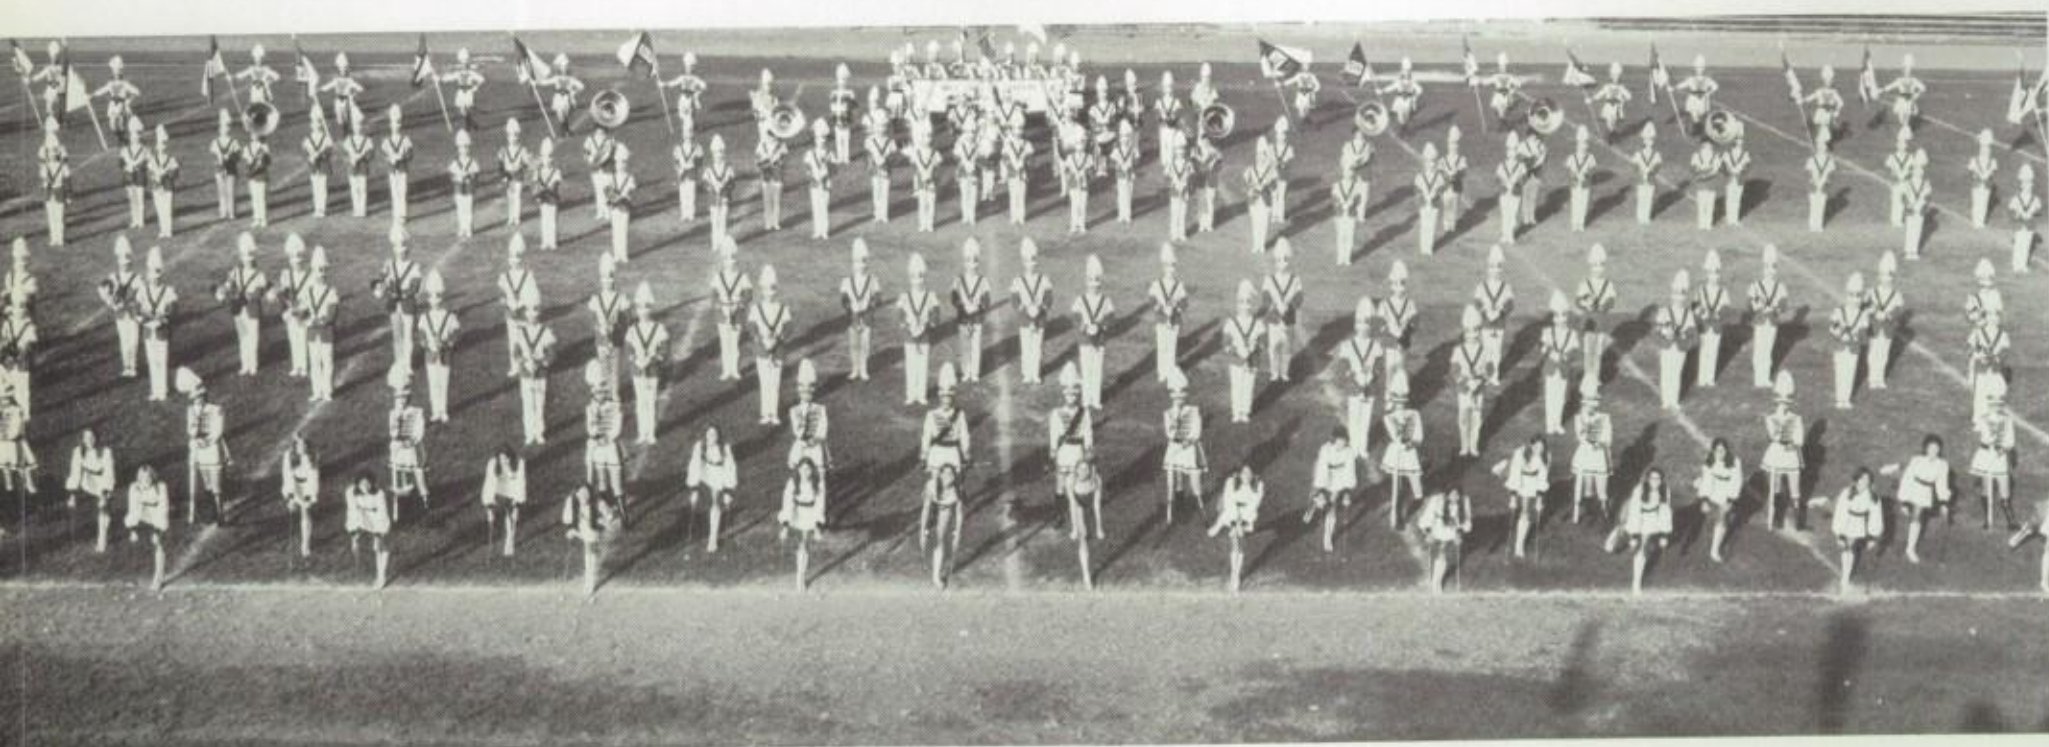

Signs are an excellent place for graffiti.

You don't have to be an expert to paint signs.

The basic format for a pep rally is handled by the cheerleaders under the direction of Mrs. Faye Swalm and the amplification is handled by the Stage Crew under the direction of Mr. George Greisemer; however, frequently the format is changed by the students, especially, when the Seniors want to do the "Battle Cry" cheer.

IN FALL THE WORK BEGINS

Opening its 1971 season in style, the Wilson Marching Unit escorted Miss America at pageant in Atlantic City. Under the direction of Mr. Frank J. Ferraro, the band won top honors at most local competitions and climaxed the season by winning its second Mid-Atlantic Championship at Upper Moreland High School.

Every picture tells a story.

Wilson's answer to "G" rated entertainment.

Mr. Ferraro, I hope you don't think those dark glasses fool us.

I wonder how long it took to realize which end is up.

A pretty smile is essential.

And a one, and a two, and a one, two, three, four.

FINALLY A CHANCE TO SIT DOWN

After many hours of "cruel" and "relentless" work under the direction of Mr. Ferraro, the annual Spring concert was presented in the High School gym. A most varied musical program, augmented by choreographical sequences, was used to depict the theme of "Decision '72". The narration was handled by Mr. Roy and Mrs. Riffle. The band ended the year on a good note by taking first place honors at a stage and field competition held at Myrtle Beach, South Carolina.

Doesn't look like he ever worries!

Now is a heck of time for my allergy to bother me!

Now is it left and then right or right and then left?

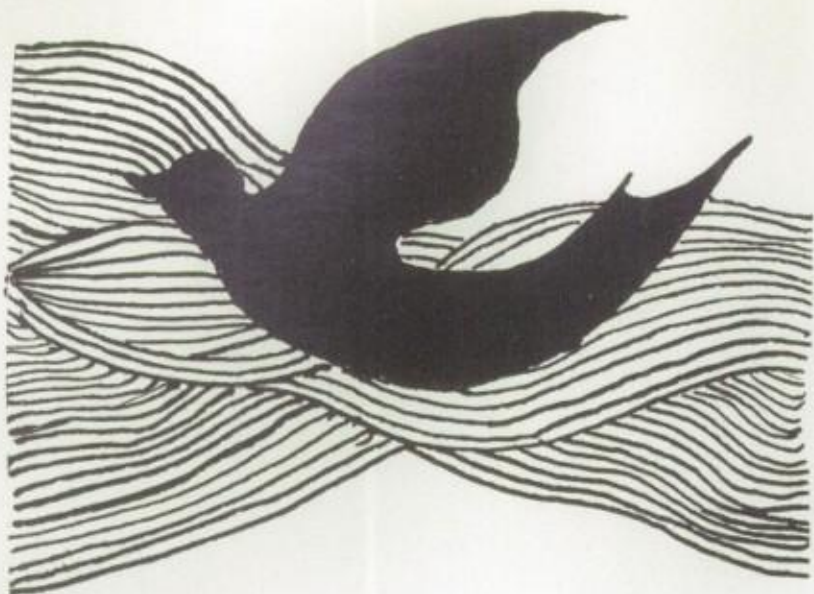

I didn't know that Mrs. Riffle?

Most parents find this "angelic" bit a tough pill to swallow.

Mr. Greisemer's Gestapo.

If I have to hold this poise much longer, I'll turn blue.

AQUALOVE

In order to compensate for a rather short swimming season, the majority of the girls on the swim team also participate in a water show. Many cans of paint, many rolls of paper and many hours of practice are needed to transform the pool into a suitable showcase for the performance. The show this year was entitled "Aqualove" and was under the direction of Mrs. Nan VanFleet.

You aren't getting me down those steps.

Maybe, I should've checked to see if this rope is tight?

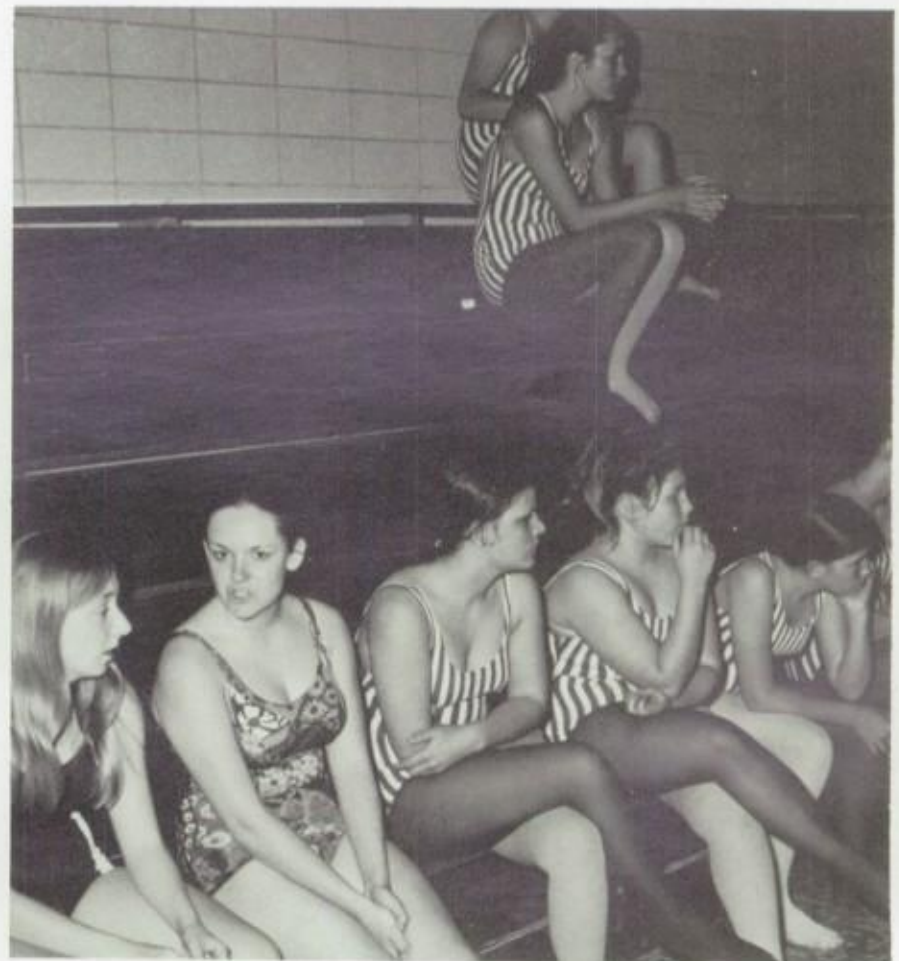

Gee, it's lovely here.

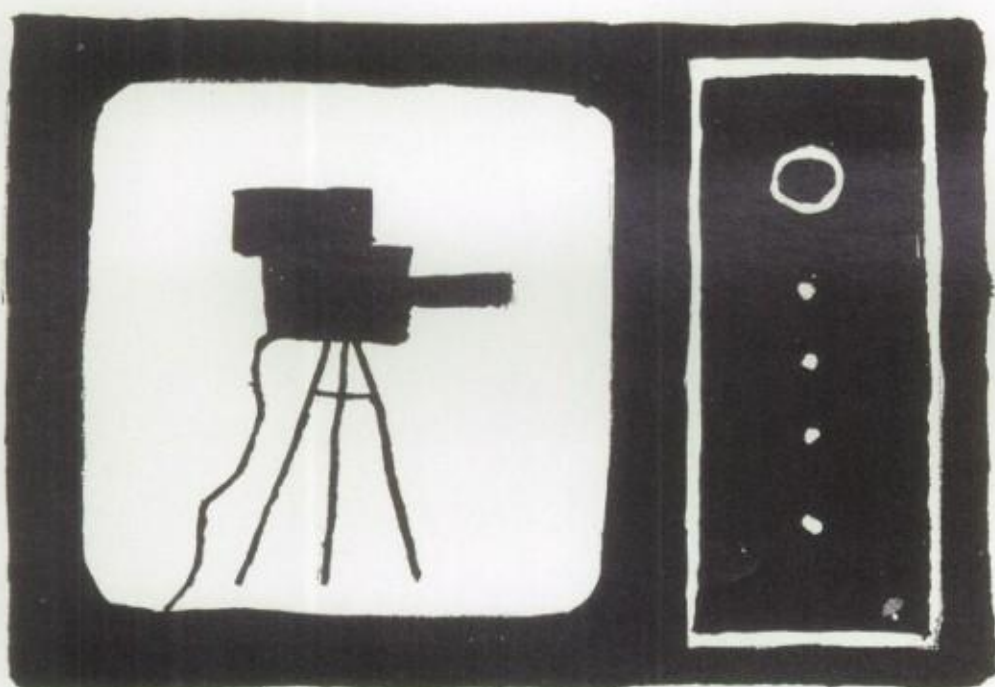

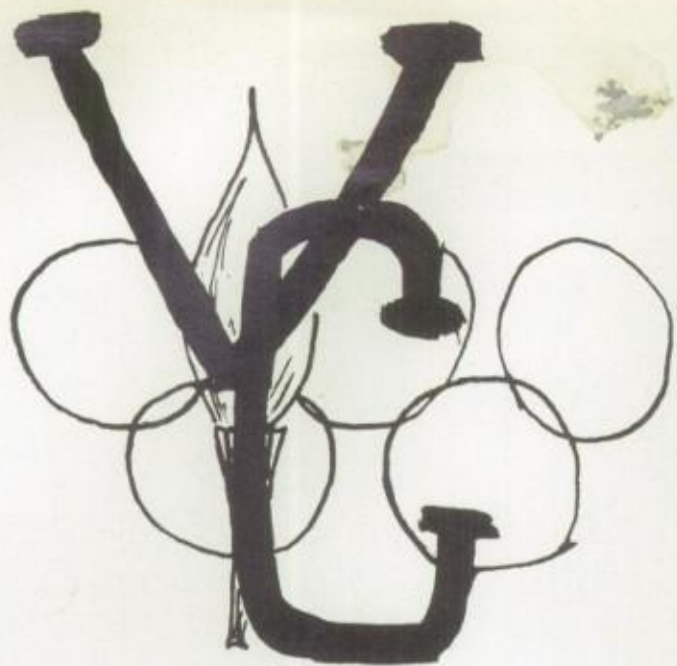

Please, Mrs. VanFleet if we do it right this time may we go home.

Art work helps to contribute to the theme.

MOST girls listen intently to the instructions!

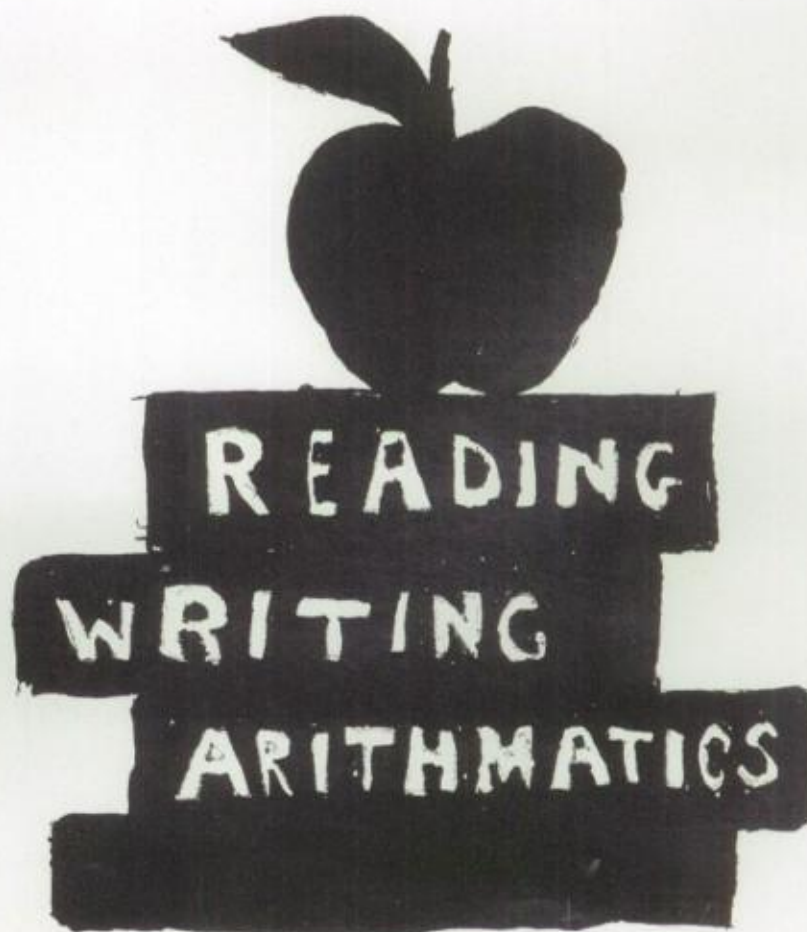

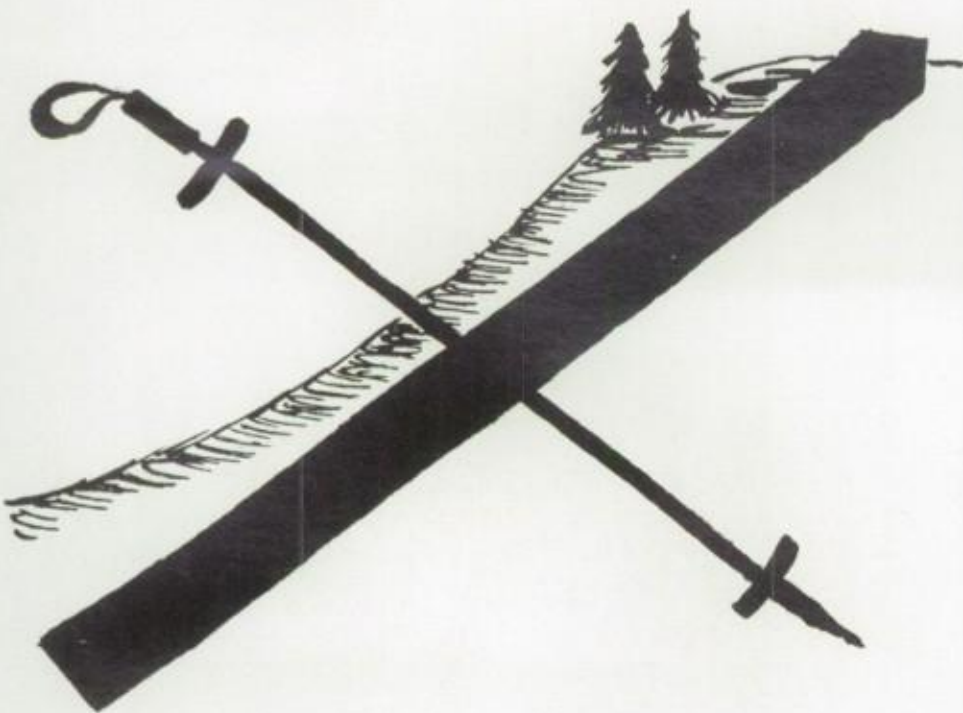

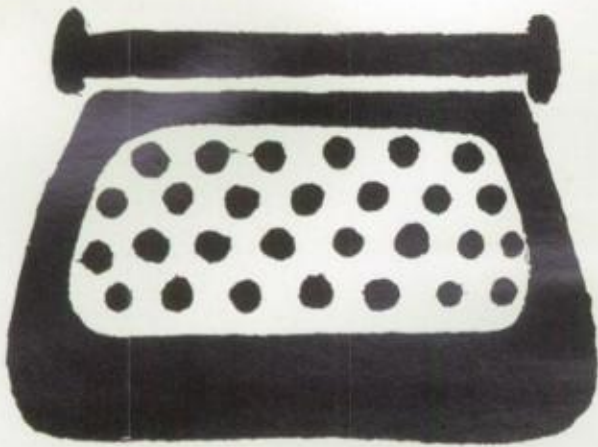

CLUBS — YOUR OWN THING

Although many students are active sports and other activities around the school complex, some still find time to be an active participant in a club of their own interest. The clubs depicted on this page are (1) Varsity Club — open to all Varsity lettermen regardless of the sport (2) Debate Club which is gaining popularity (3) Television Club which participates in closed circuit T.V. and cable broadcasts (4) Dramatics Club and (5) Future Teachers.

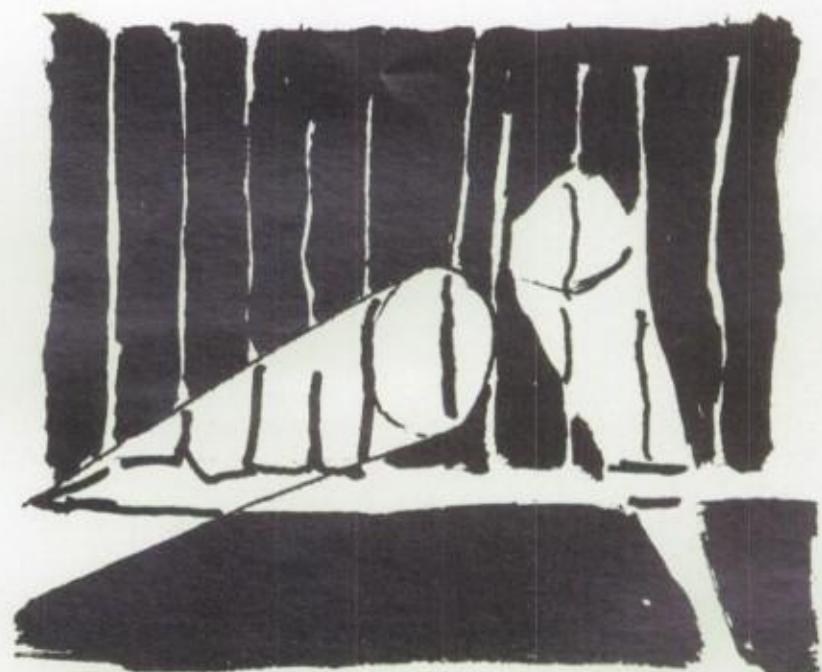

Dramatics is definitely not a thing of the past at W.H.S.

Other clubs listed on this page are (1) Future Business Leaders of America (2) Motorcycle Club (3) Snow Ski Club (4) Stage Crew.

HOMECOMING – A SOCIAL ASPECT OF A SENIOR'S MEMORY

Who's leading whom?

For most people, Homecoming is a memorable occasion, especially to the graduates. But Homecoming has a special meaning to some of the undergraduates as well. One member of the class of '72 will always remember Homecoming '71 because she was chosen Queen. That person was Jackie Waelchli. The Queen and her court pictured above are: Jackie, Denny Heck, Peggy Leidel, Dave Riegel, Debbie Mattern, Tim Perkins, Morgan Macleod, Jeff Weidenheimer, Dave Lewis, Cheryl Namy, Donna Tice, and Steve Weidman.

She appears rather calm, doesn't she?

ASSEMBLIES – AN ACADEMIC ASPECT OF A SENIOR'S MEMORY

What does the Negro ask for? How does it feel to be raised in the ghetto? Why can't there be peace in the world? What happens after a person becomes hooked on drugs? These and other questions were part of the gamut of questions thrown up in assemblies in Wilson in '71-72. Some of the assemblies were as informational as the ones presented by the Human Relations Club and as entertaining as the one presented by the Coatesville Chorus.

THE GUIDING LIGHTS

The world is constantly changing and opportunities in many fields never cease. So what does this have to do with Wilson's guidance department? — everything! Our guidance department is designed to help all students with their problems. These problems rang from courses in high school to post-graduation plans. Our counselors, Mr. Forrest Fleishood, Mrs. Alma Herb, Mr. Paul Sommers, and Mrs. Faye Swalm, are always ready for the opportunity to help a student.

For some girls the Hockey season began in August. Rain or shine, hot or cold, the girls were out on the field practicing. The season ended in October and it was a very good year for this years team. BULLDOGS AMASS 7-2-1 RECORD

The practices looked good. There were seventeen Seniors on the squad. Half of the Seniors had seen considerable action in 1970. Everything pointed to the 1971 Bulldogs completing the sequence the 1967 and 1969 teams had begun. Everything that is except for one unexplainable factor — injuries. With four starters out even before the Pottstown game and many more injuries to plague the team, the Bulldogs finished 7-2-1 which was good enough for a tie for third in the Tri-County League.

Coach Gurski

Despite the multitude of injuries, Coach Gurski did have some bright spots. The team ran off five wins and a tie before bowing to Lebanon Catholic. There was "Big Jim" Fehling receiving All-State honors. There were several players named to the EAGLE-TIMES All-County teams. And finally, there was the undaunted playing of many Sophomores and Juniors.

... FOOTBALL — A NEW DIMENSION IN WOMEN'S LIB

Responding to the calls of many Wilson girls (about two) that they have a football league comparable to the boys', Powderpuff football was institute at Wilson in Fall of '70. The season, initially, was to have two halves — one in the Fall and one in the Spring. Unfortunately, the hospitalization of Miss Leinbach prevented the season to be resume; however, most of the girls are looking forward to Fall of '72 and another "bone-crunching" and "teeth-jarring" season of Powderpuff football.

I wonder if they're trying to tell Cheryl something.

Miss Leinbach explains a few of the preliminaries — like how many are on a team!

Under the very capable leadership of Mr. William Morgan, Mr. Bert Nye, and Mr. Bernard Stoppi, the Junior Varsity, composed of fifteen Juniors and twenty Sophomores finished the season with a 3-2 record. Quarterbacked predominately by Dave Sholl and utilizing the bull-like running of Chuck Schwartz, Bill Biffel, Don Stewart and others, the Junior Varsity gained some valuable experience which should help them form the nucleus for an even better '72 Varsity team.

AND REACHES ITS PINNACLE HERE

1st ROW L TO R — B. Harbach, R. Wardrop, J. Weidenheimer, D. Heck, D. Owens, R. Romberger. 2nd — S. Weidman, P. Fleishood, B. Noll, M. Hettinger, R. Shartel.

And this is the way it all begins.

Playing to standing-room-only crowds for almost all of its home games the 1971-72 Varsity Basketball team finished tied for third in the Western Division with a 10-6 league and 12-10 overall record. Even though the team was constantly harassed by injuries, the dexterity, perservance and charisma of the team continued to attract numerous fans.

Coaches John Schweigert and Reggie Weiss (pictured to the left) continue their superb efforts to bring a Berks County Championship to Wilson. Through their untiring labor and never ending praise of the players, Wilson finally made the transition from doormat to contender.

Mr. Roy Snyder

Wayne may never stop.

Finishing their year with a third place in the Central Penn Swim League, the Swim team had 9-2 league record and a 11-3 overall record. Two of the boys were district champs, Sid Burkot and George Noll. The boys pictured below are: ROW 1 — Mr. Snyder, T. Ravel, G. Gyomber, G. Noll, B. Noga, R. Schneck, W. Gratz, S. Burkot, B. This sure beats lying on the mat for the count.

GRAPPLERS GRAB TIE

Coached most of the year by interim coach Mr. William Moyer, assisted by Mr. Dallas Zieber, the grapplers obtained a 6-8 record which was good enough for a tie for fifth. Several of the boys who moved on to sectional and district competition were Bob Langdon, Dennis Clements, Mike Sensenig, Dave Goodwin, and Jim Fehling.

WE'RE ONLY SECOND WE TRY HARDER

With second place finishes in the Albright, Shaner, and Victory meets and third place finishes in the Leonard Stephan and Streamoigne meets the 1972 edition of the Wilson Track team could certainly use Avis's motto. They tried, and tried, and tried, but could only place second to a strong Muhlenberg. Post season honors went to Gene Sekulski who made the trip to University Park to compete for State Honors.

RAIN HAMPERS GIRLS TRACK

Even though their record was only 2-4, the girls still have good memories of their 69-49 win over Twin Valley and 67-51 record over Exeter. The team was coached by Mrs. Anna Chase and had eight Seniors on it — Susan Jones, Jackie Waelchli, Cindy Hess, Kathy Zentgraf, Jan Hirstius, Candy O'Bara, Heidi Lippincott, and Wendy Griffith.

FROSH ANNIHILATE OPPONENTS

With Gary Snyder, Mike Hayes, Ray Peffley, Dave DeAngelis, Jeff Vanino, Mark Weidner handling the short runs, Mike Dirks handling the long runs, and Joe Bressi, Gary Stoudt, and Rick DeLong handling the field events, the Junior High team, composed of mainly Freshman, defeated all opponents by at least thirty points. The team was coached by Mr. James Gehman.

A GAME OF INCHES

With a very impressive 11-2 overall record, the Golf team easily swept their division of the league; however, Exeter proved to be slightly stronger and the 1972 Bulldog team had to settle for second in the overall league standings.

You'd think they're pros already.

But Greg the holes the other way.

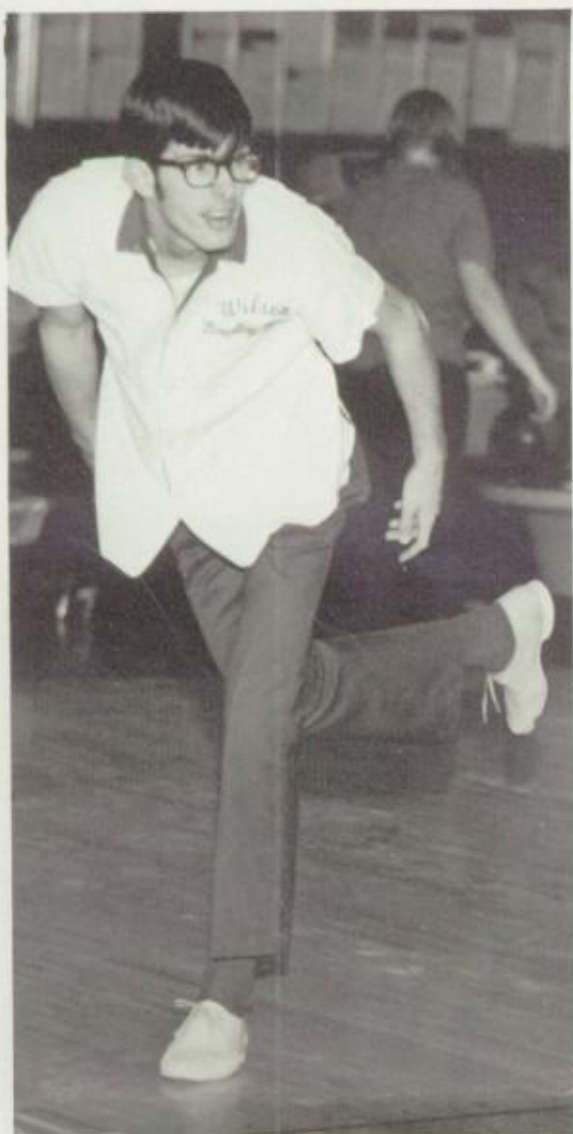

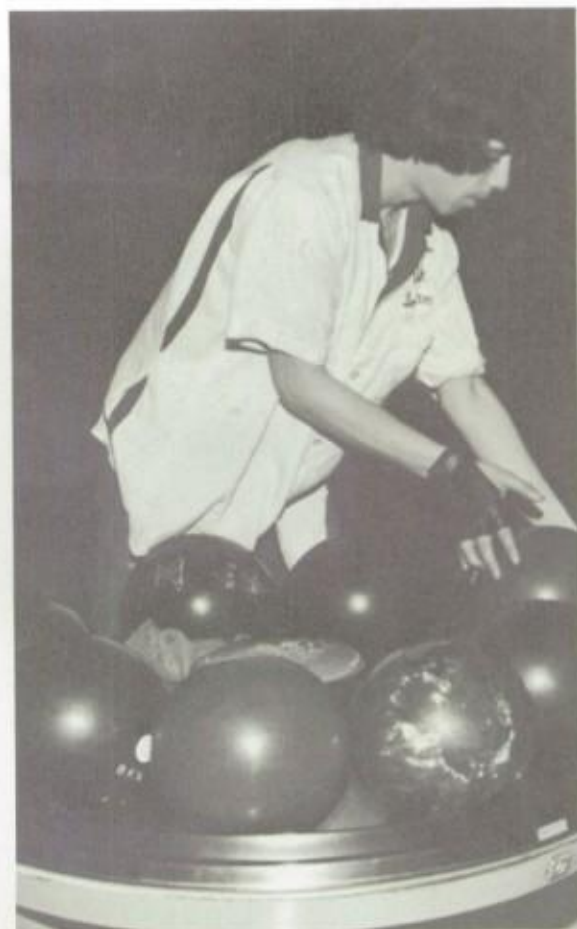

To your left! No, your right! No, straight!

SALVAGED FROM AN ALLEY

Again utilizing Berks Lanes as the home alley, the Bowling team under the supervision of Mr. Norman Hopp managed to capture second place in their division. With only two Seniors, Dan Ruppert and Bruce Noll, on the squad anticipation is keen for a first place finish next year.

THE SLUGGERS

That's right the Wilson Varsity Baseball had to play one team three times this year. The team was Elco. The reason was that both Elco and Wilson were tie for first place in the Western Division and a one game playoff had to determine the winner. Both teams took a 8-2 league record with them into the game and only Elco still had two losses after the game. Wilson had to settle for second best. The members of the Varsity squad were Ted Palka, Bruce Harbach, Mike Dietrich, Ralph Brown, Mitch Hettinger, Ken Starvarski, Randy Steffy, Rick Wardrop, Brad Wentzel, Dave Fischer, Bob Kondrath, Dean Rick, Bob Ziska, Kip Keiser, and Kevin Speicher.

Now try it with a pitcher throwing for your head.

That worked much better in practice.

Not many guys throw harder than this one.

Now remember boys, first the white socks, then the red.

Watch out Bucknell!

Mr. William Kopp — Wilson's dyed in the wool optimist.

J.V.'S SLUG TO 9-3

Consisting primarily of Sophs, the Junior Varsity fought its way to a respectable 9-3 record. The "fearless nine" for head coach, Mr. Wayne Bradburn, were "Fritz" Wenrich, Dave Haughney, Mike Kern, Mike Riegel, Don Brechel, Scott Shalter, Dave School, Richy Long, and Chuck Schwartz.

WISE FOOLS

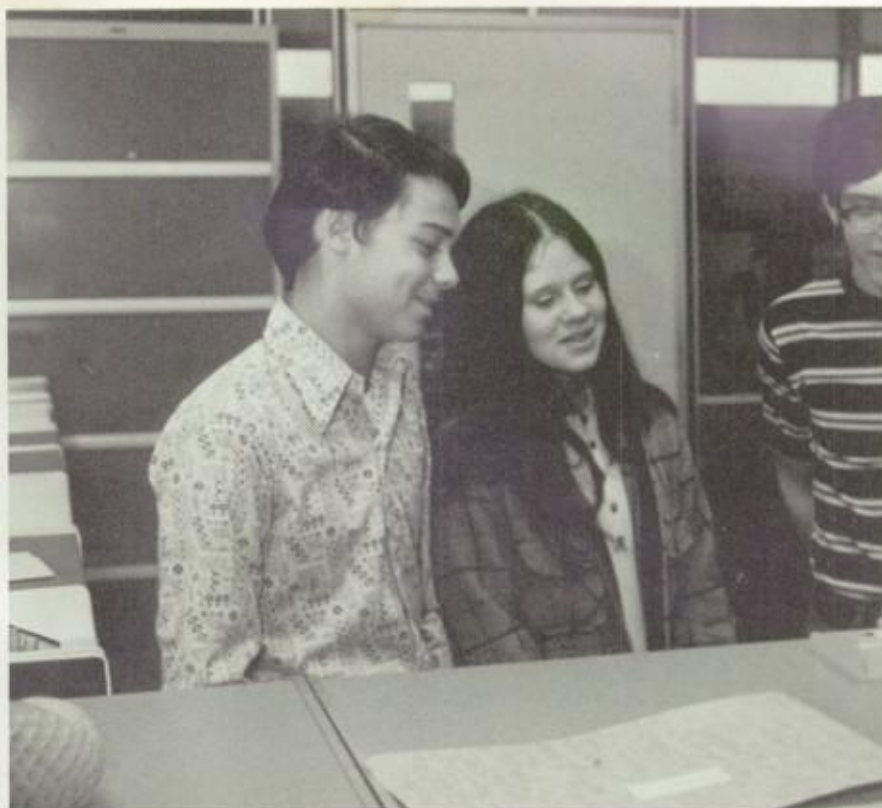

With their sophomore days behind them, the "wise fools" look forward with great anticipation to their jolly junior year. The arrival of the class rings and the Prom are only a few of the important events to be experienced. Their only wish is that their future schooldays will be as pleasant as their Sophomore year has been.

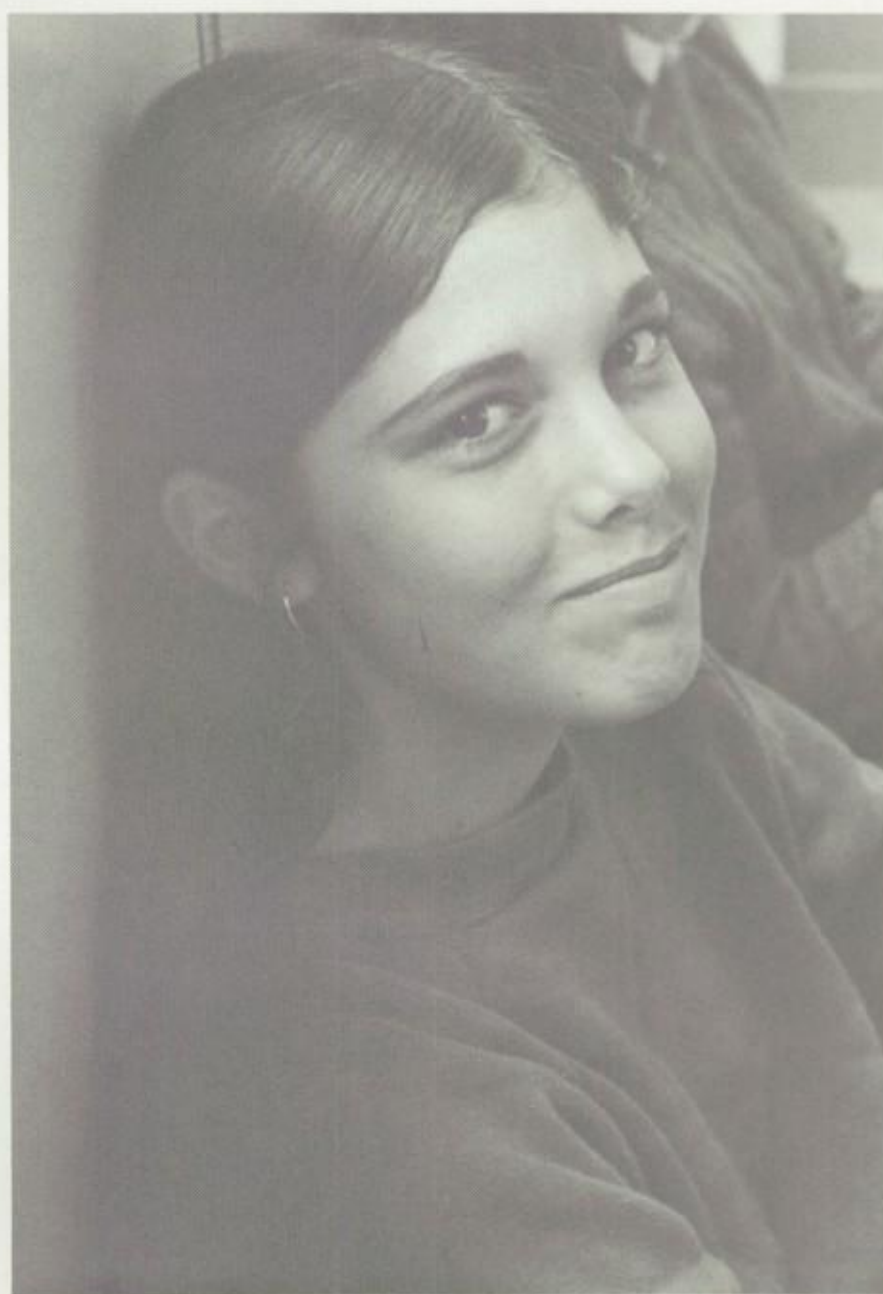

Go get it, Ellen!

Two Soph cheerleaders are Cindy Mattern and Mary Napolitano.

Happiness is a bus ride.

You don't have to tell Lisa to smile.

Sophs participate in all sports.

Class officers — Kathy Syzmanski, Anne French, Paul Brooks, Mike Sensinig.

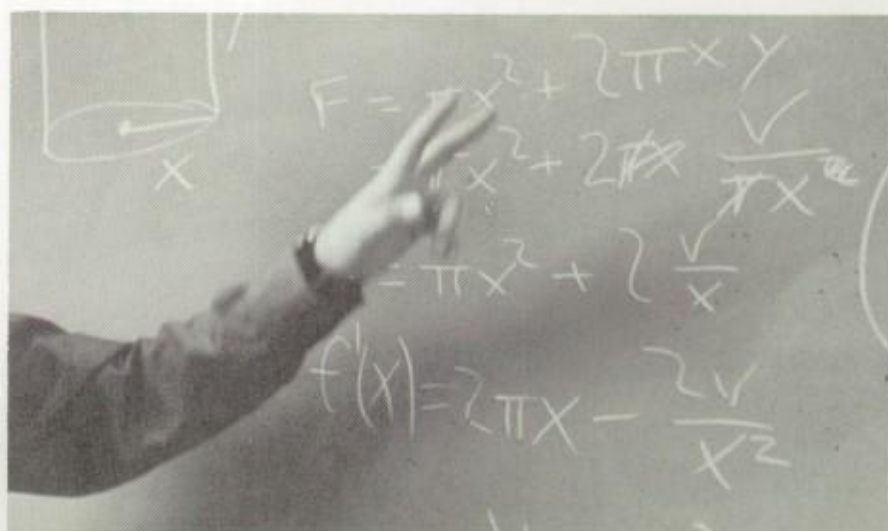

With eleven years behind them, the Juniors are soon to realize the goal for which all of them have strived — a Senior year. They look forward to the coming year with great anticipation, but also with an awareness of the responsibility they will have as Seniors. We are sure that if they keep the class spirit they have shown in the past, their Senior year will be the happiest and best year of all.

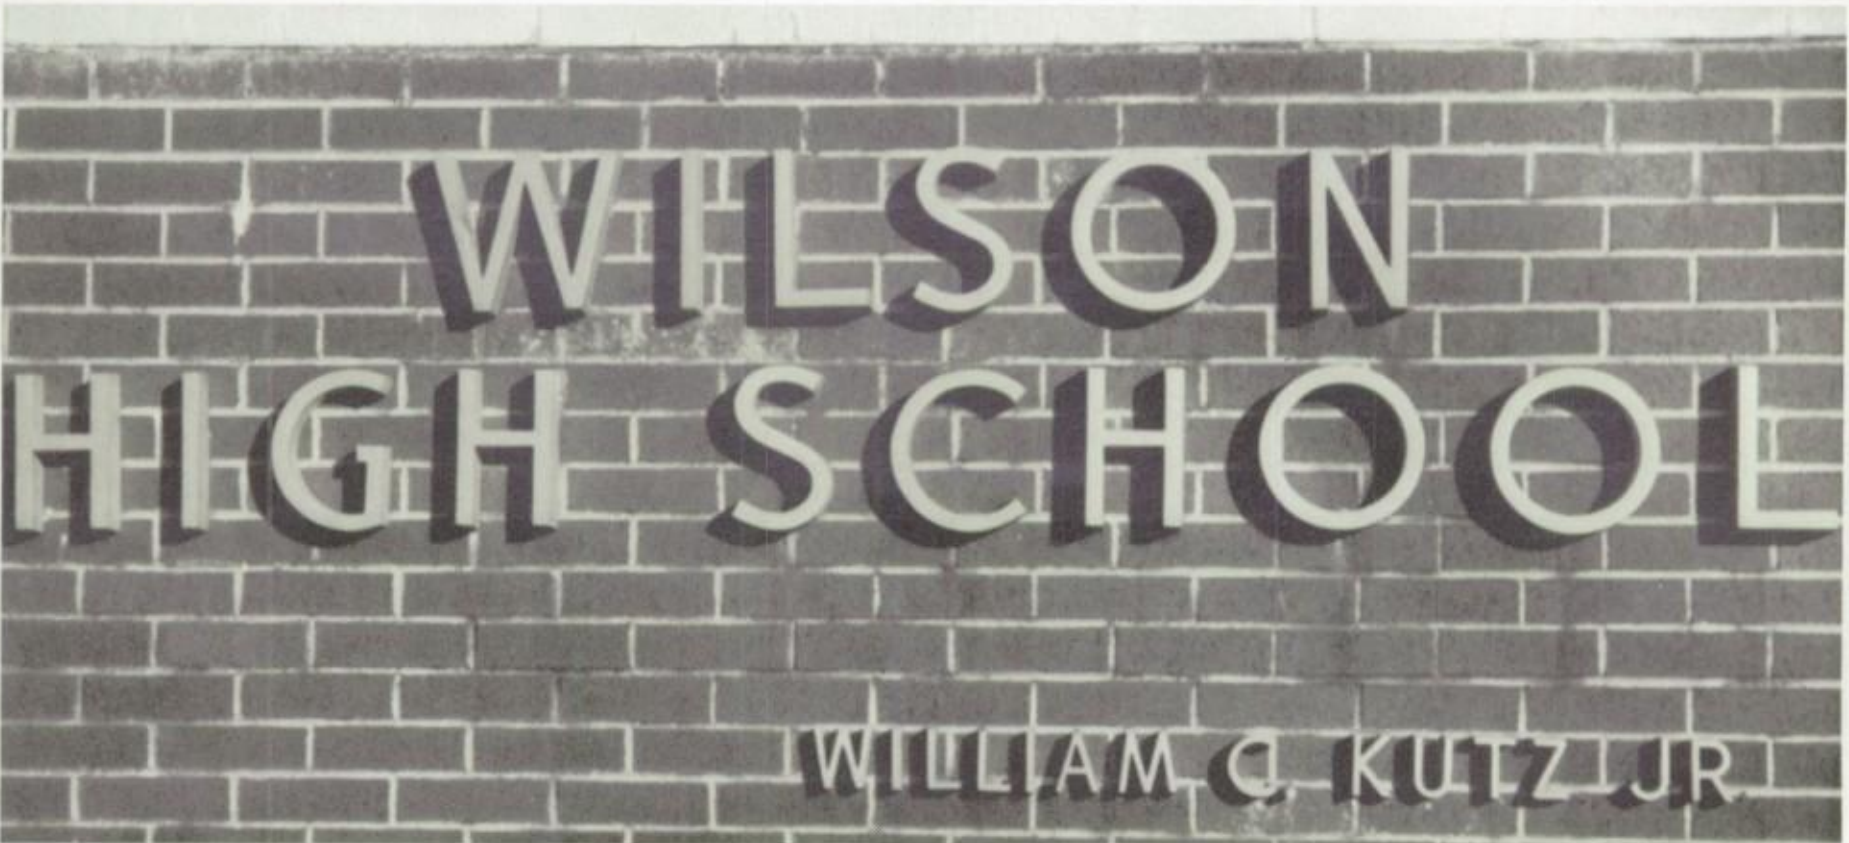

The key to this year's Junior class is organization. They have begun to work as one unit in all of their endeavors, receiving very commendable results. From the memorable field trip to New York, to the unforgettable "Imagine", they exhibited their oneness. If the spirit and readiness of this class is carried on into next year, their success as Seniors is guaranteed.

PLAYS PLAYS AND MORE PLAYS

In addition to the Senior play of *THE CAT AND THE CANARY*, the Dramatics Club was also busy presenting other plays this year. Some were presented to the public; others were presented to the members of the elementary classes at Wilson. These plays were *CHRISTMAS CAROL* and *SNOW WHITE AND THE SEVEN DWARFS*. The play presented to the public in February was entitled *YOU CAN'T TAKE IT WITH YOU*.

I wonder what everyone is so upset about?

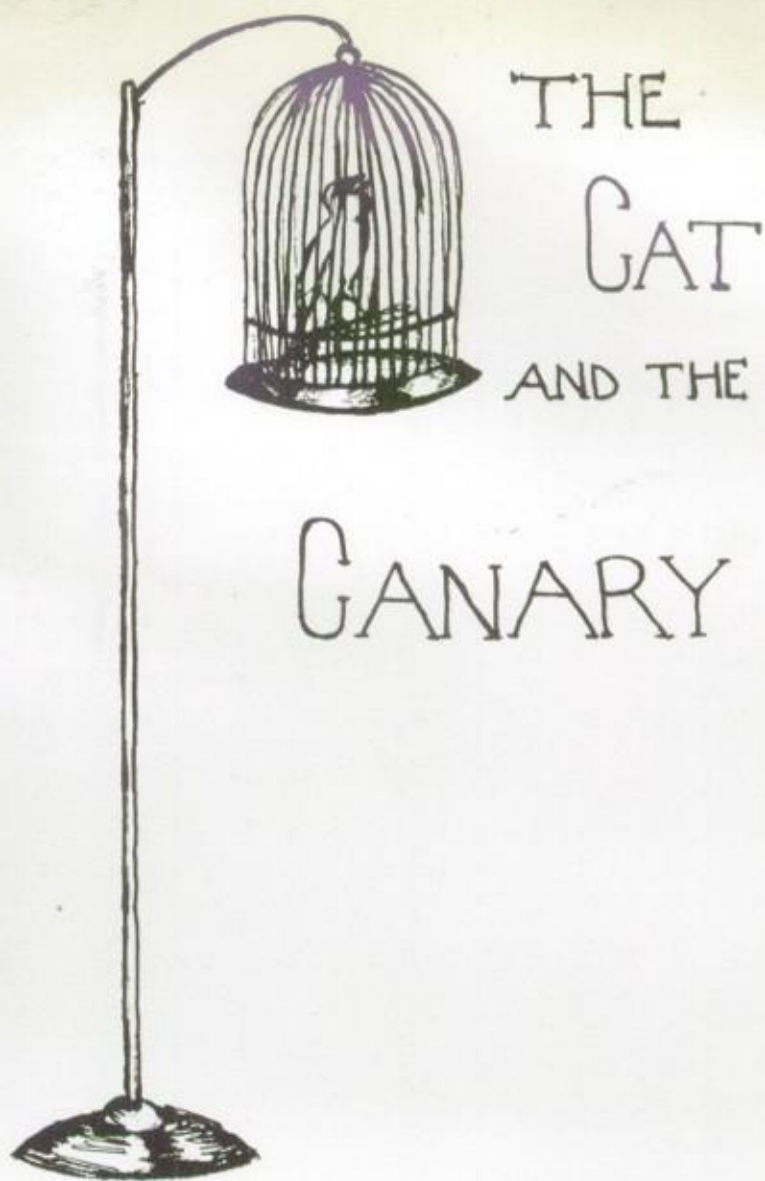

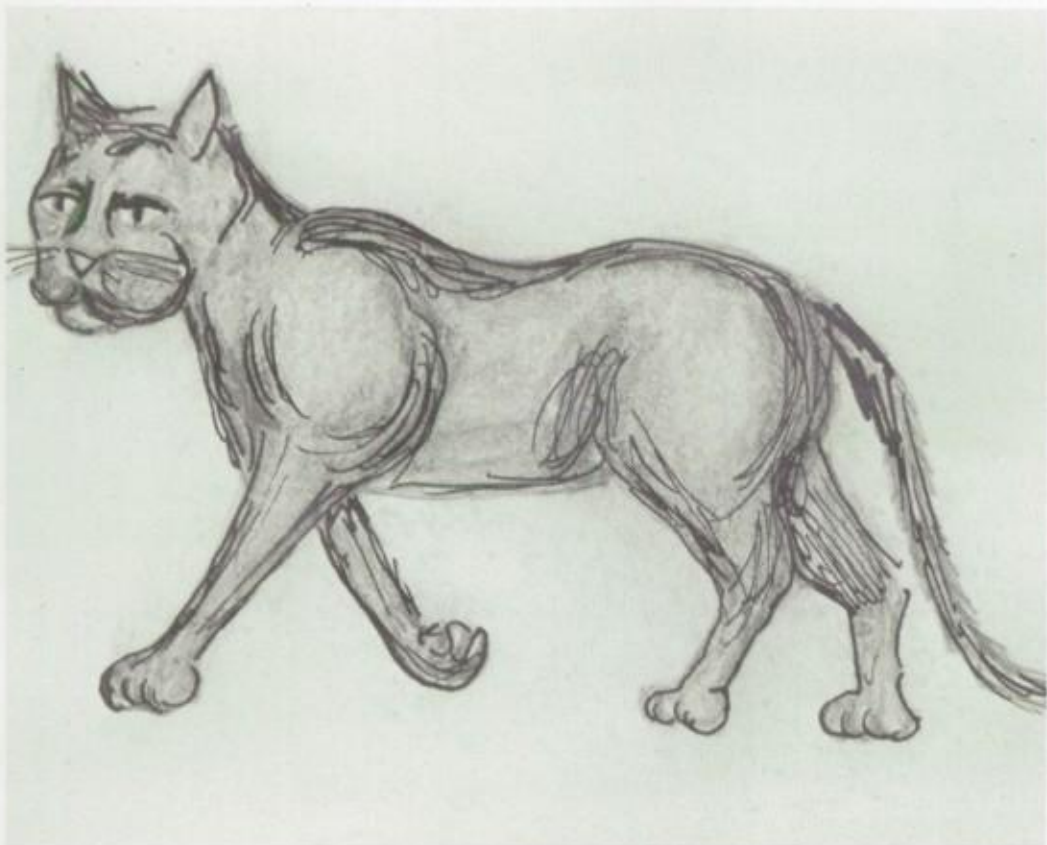

Looks like Pam's engaging in her favorite hobby — mirror gazing.

In May the Dramatics Club travelled to Bucks County Playhouse in New Hope to compete in their annual contest. Three plays, *THE PURIFICATION*, *SHE STOOPS TO CONQUER*, and *MIDSUMMER NIGHT'S DREAM*, were rehearsed; however, only the former was presented.

At Bucks County two of the Wilson students received awards. John Guidkanst won an award for the most outstanding supporting actor of the day and Elizabeth Ehst won an award for excellence.

BACCALAUREATE:
A TIME FOR REFLECTION

June 5, 1972 was a day. To most students in Berks County it was a day just like any other day. They got up, went to school, did their lessons, and then went home. But to the students in the Class of '72 at Wilson High School it was **THE DAY**. To some students it was the end. The end of their school days and the beginning of their work days. Others viewed it as a mid point between what they want to be and what they are going to be. But no matter how a student looks at it, graduation is **THE DAY** — the day adolescence ends and maturity begins.

Anxious Seniors await their diplomas.

JUNE 5, 1972 — A DAY TO REMEMBER

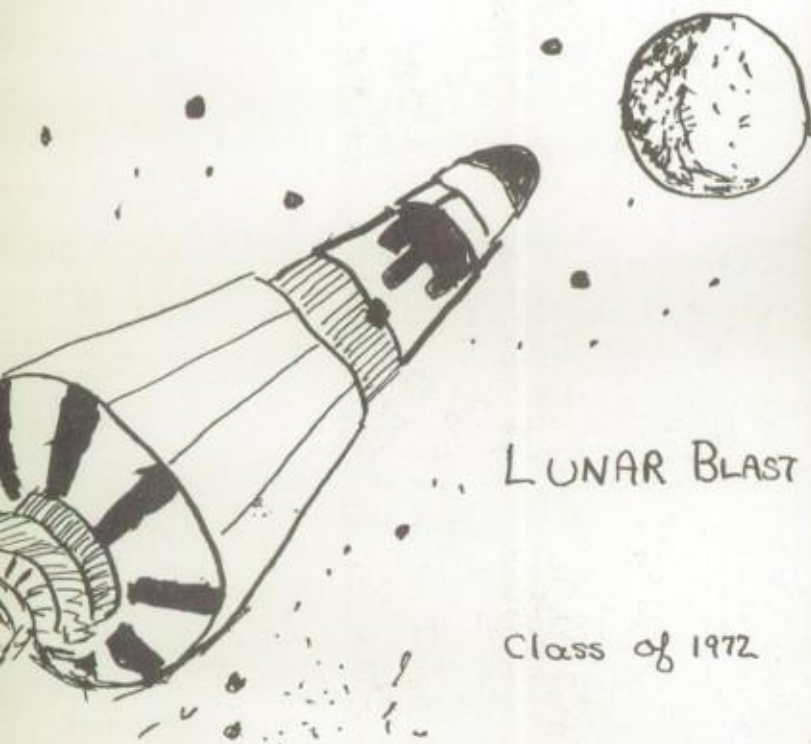

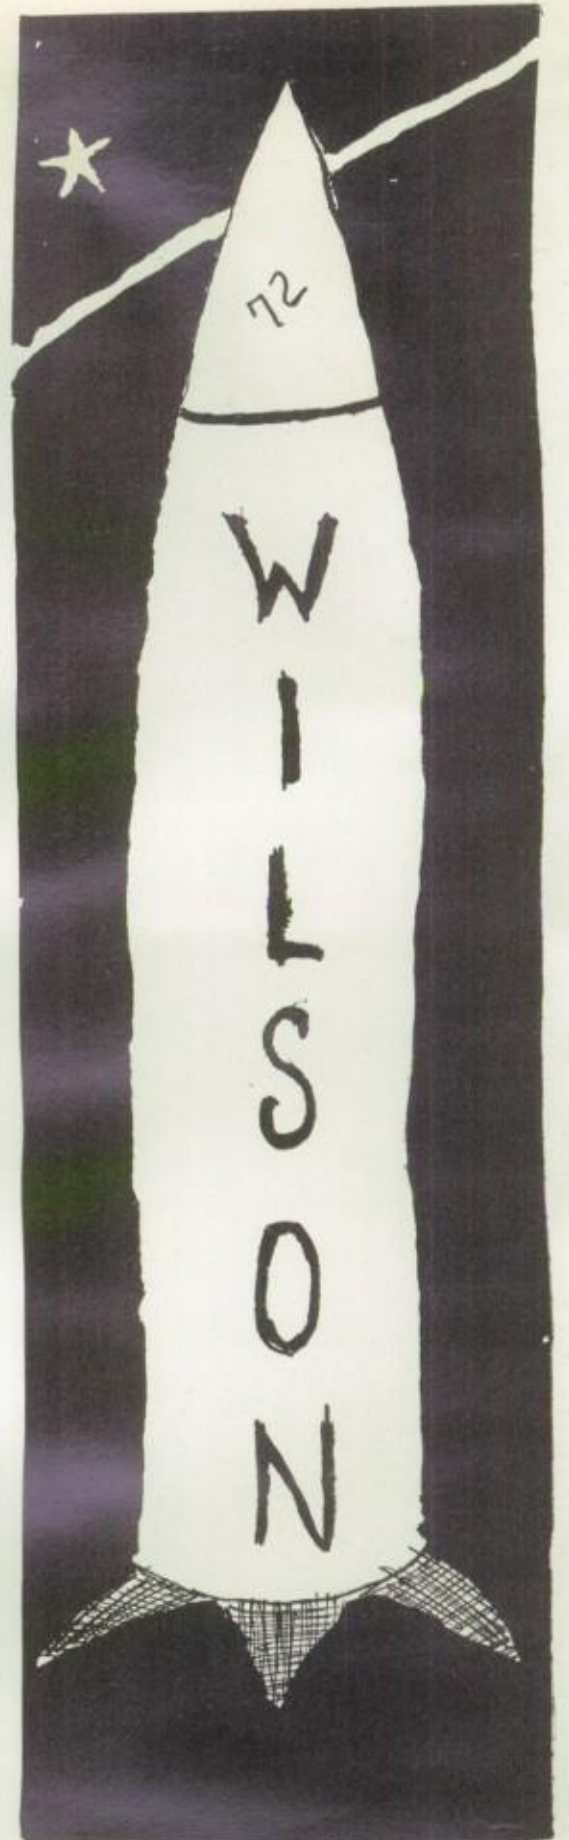

Dr. Carl F. Constein, Superintendent of the Wilson School District, hands Debbie Miller her long awaited diploma.

Rick Haas addresses the graduates and their parents.
